Shakspere's Werke William Shakespeare,1882 Love & Light Clayton Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling

Letters to Lelia Francis Rosenfeld,2015-05-12 Never forget my dear child that life is made of days and no matter how many days you were gifted with you should strive to enjoy every single one of them When you have given your love and attention to your family and friends it will still be overflowing so pay attention to the ideals you care about to the people whose needs call out to you to the human race to the universe itself Energy spent in activities that don't touch your soul is wasted and those activities will drag along for a while only to be abandoned when the first justification presents itself When you put your heart into something you love however not a single obstacle can ever stand against it It may not always be easy but you can't let go of it because it is a part of who you are your purpose Letters to Lelia Chapter Twenty Four Love Always
