Loved And Lost English Edition:

Women in Love D. H. Lawrence, 1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and incomprehension that met most of his fiction *Women in Love* examines the regenerative and destructive aspects of human passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in *The Rainbow* and their relationships with Gerald Crich and Rupert Birkin Set against the backdrop of a world consuming itself in war the novel creates an instructive vision of humanity's dance with life and death This text is the famous first *Women in Love* the unexpurgated version preferred by Lawrence himself which was rejected by every publisher because of the banning of *The Rainbow* in 1915 More positive in tone than the revised version published in his lifetime with different central relationships and a radically different ending it is now viewed by many as Lawrence's masterpiece **BOOK JACKET** *Love Lost in Translation* K. Renato Lings, 2013-06-06 *Love Lost in Translation* systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 17 18 Judges 19 Romans 1 26 27 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades *Love Lost in Translation* proposes a fresh approach to translating the Bible by means of linguistic and literary criteria As demonstrated throughout this ground breaking book the method enables readers to become acquainted with the literary sophistication psychological insights and spiritual depth of the Bible Combining meticulous scholarship with an accessible style *Love Lost in Translation* provides a much needed infusion of essential learning into a subject that affects millions of Bible readers today **The Works of Shakespeare: Much ado about nothing, ed. by G.
