Parzival A Knightly Epic Volume 2 (of 2) (English Edition) Wolfram von Eschenback ,2014-11-14 Example in this ebook
BOOK X ORGELUSE Now tell we of strange adventures thro which joy shall be waxen low And yet pride shall grow the
greater of the twain doth this story show Now the year of truce was ended when the strife must needs be fought Which the
Landgrave unto King Arthur at Plimiz l had brought At Schamfanzon he challenged Gawain to meet him at Barbig l Yet still
unavenged was Kingrisein at the hand of Kingrimursel In sooth Vergulacht he rode there and thither had come Gawain And
the whole world was ware of their kinship nor might strife be betwixt the twain For the murder Count Eckun t did it and
Gawain must they guiltless hold At rest did they lay their quarrel and friends were those heroes bold Then they parted for
both would ride thence Vergulacht and the knight Gawain Tho both for the Grail were seeking yet apart would they ride
those twain And many a joust must they ride now for he who the Grail would see Sword in hand must he draw anigh it and
swift must his seeking be Now all that befell to Gawain the lot of that blameless knight Since he rode forth from fair
Schamfanzon if he oft on his way must fight Ye shall ask of those who there saw him since naught may I tell ye here Yet
hearken and heed the story and the venture that draweth near One morning Gawain rode gaily o er a grassy plain and green
When a shield in the sun fair shining with lance thrust pierced thro was seen And a charger stood beside it that bare women
s riding gear And the bridle and aye the housing were of costly stuff and dear And the charger and shield beside it were
bound to a linden tree Then he thought Who shall be this woman for valiant I ween is she Since she beareth a shield so
knightly If she thinketh with me to fight How then may I best withstand her Were it better to here alight If too long she
wrestle with me perchance I were overthrown If hatred or love I shall win here I will fight her on foot alone Yea e en an she
were Kamilla who before Laurentium fought Did she live still to battle with me as awhile she for honour sought I would face
her nor fear her prowess if here she my foe would be Tho ne er with a maid have I foughten and the chance seemeth ill to me
Battle hewn was the shield and dinted as Gawain right well espied The nearer he rode unto it and pierced with a lance thrust
wide Such token by joust is painted little payment his skill should know Whose hand erst the shield had fashioned an he
thought him to paint it so By the trunk of the mighty linden sat a maid on the grass so green And sore did she weep and
bewail her and joyless I wot her mien Then around the tree rode Gawain and lo on her knee she bore A knight and she wept
above him and grieved with a sorrow sore To be continue in this ebook Joyzelle (English Edition) Maurice
Maeterlinck,2015-01-28 Example in this ebook ACT I A Gallery in Merlin s Palace Merlin is seated near Arielle who is
sleeping on the steps of a marble staircase It is night Merlin You sleep my Arielle you my inner force the neglected power
which slumbers in every soul and which I alone till now awaken at will You sleep my docile and familiar little fairy and your
hair straying like a blue mist invisible to men mingles with the moon the perfumes of the night the rays of the stars the roses
that shed their petals the spreading sky to remind us thus that nothing separates us from any existing thing and that our

thought does not know where the light begins for which it hopes nor where the shadow ends which it escapes You are sleeping soundly and while you sleep I lose all my knowledge and become like my blind brethren who do not yet know that on this earth there are as many hidden gods as there are hearts that throb Alas I am to them the genius to be avoided the wicked sorcerer in league with their enemies They have no enemies but only subjects who know not where to find their king They are persuaded that my secret virtue which is obeyed by the plants and the stars by water stone and fire and to which the future at times reveals some of its features they are persuaded that this new and yet so human virtue is hidden in philtres in horrible charms in hellish herbs and awful signs No it is in myself even as it resides in them it is in you my frail Arielle in you who were once in me I have taken two or three bolder steps in the dark I have done a little earlier what they will do later All things will be subject to them when they have learnt at last to revive your goodwill even as I have revived it But it were vain for me to tell them that you are sleeping here and to point to your dazzling grace they would not see you Each one of them must find you within himself each one of them must open as I do the tomb of his life and come to awake you as I awake you now He bends over Arielle and kisses her Arielle Waking Master Merlin This is the hour Arielle when love must watch I shall often trouble your sleep in these coming days Arielle My sleep was so long that I am always relapsing into it but I feel stronger and become happier at each new awakening that your thought imposes on me To be continue in this ebook

Parzival A Knightly Epic Volume 1 (of 2) (English Edition) Wolfram von Eschenbach, Example in this ebook In presenting for the first time to English readers the greatest work of Germany's greatest medi val poet a few words of introduction alike for poem and writer may not be out of place The lapse of nearly seven hundred years and the changes which the centuries have worked alike in language and in thought would have naturally operated to render any work unfamiliar still more so when that work was composed in a foreign tongue but indeed it is only within the present century that the original text of the Parzival has been collated from the MSS and made accessible even in its own land to the general reader But the interest which is now felt by many in the Arthurian romances quickened into life doubtless by the genius of the late Poet Laureate and the fact that the greatest composer of our time Richard Wagner has selected this poem as the groundwork of that wonderful drama which a growing consensus of opinion has hailed as the grandest artistic achievement of this century seem to indicate that the time has come when the work of Wolfram von Eschenbach may hope to receive from a wider public than that of his own day the recognition which it so well deserves Of the poet himself we know but little save from the personal allusions scattered throughout his works the dates of his birth and death are alike unrecorded but the frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram's greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the

Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet's birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Tr hending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schildesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook

Lawrence,1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and incomprehension that met most of his fiction Women in Love examines the regenerative and destructive aspects of human passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in The Rainbow and their relationships with Gerald Crich and Rupert Birkin Set against the backdrop of a world consuming itself in war the novel creates an instructive vision of humanity's dance with life and death This text is the famous first Women in Love the unexpurgated version preferred by Lawrence himself which was rejected by every publisher because of the banning of The Rainbow in 1915 More positive in tone than the revised version published in his lifetime with different central relationships and a radically different ending it is now viewed by many as Lawrence's masterpiece BOOK JACKET **Dreams of Love and Fateful Encounters** Ethel S. The Radicalism of Romantic Love

Renata Grossi, David West, 2017-03-31 Undoubtedly Romantic love has come to saturate our culture and is often considered to

be a or even the major existential goal of our lives capable of providing us with both our sense of worth and way of being in the world The Radicalism of Romantic Love interrogates the purported radicalism of Romantic love from philosophical cultural and psychoanalytic perspectives exploring whether it is a subversive force capable of breaking down entrenched social political and cultural norms and structures or whether in spite of its role in the fight against certain barriers it is in fact a highly conservative impulse Exploring both the grounds for the central place of Romantic love in contemporary lives and the meaning extent and nature of its supposed radicalism this volume considers love from a variety of theoretical perspectives with attention to matters of gender sexuality class and ethnicity With authors examining a range of questions including the role of love in the same sex marriage debate polyamory and the notion of love as a political force The Radicalism of Romantic Love illuminates a fundamental but perplexing aspect of our contemporary lives and will appeal to scholars across the social sciences and humanities with interests in the emotions and love as a social and political phenomenon
