vapid heiress the feigned kidnapping that goes awry **The Islamic Interfaith Initiative** John Andrew Morrow, 2021-09-15

When ISIS reared its ugly head in the last decade God had already prepared a vaccine against the contagion of extremism that created it the re discovery of the Covenants of the Prophet Muhammad with the Peoples of the Book which firmly place the actions of groups like ISIS under the curse of God and His Prophet This was largely due to the exhaustive scholarship of Dr John Andrew Morrow leading to the publication in 2013 of The Covenants of the Prophet Muhammad with the Christians of the World Not only was this a scholarly triumph but it also inaugurated an international interfaith movement throughout the Muslim world known as the Covenants Initiative which culminated in the acquittal of the Christian woman Asia Bibi on charges of blasphemy by the Pakistani Supreme Court in 2018 The book was quoted by the justices in their decision This volume of speeches articles and interviews is a chronicle of the first activist phase of the Covenants Initiative proving that socially committed scholarship is alive and well in the twenty first century **The Dream Stealers** Joe Hutchison, 2008-11

Stephen King said Writing is an act of self hypnosis and in that state a kind of total emotional recall takes place THE DREAM STEALERS started out to be a long letter to my children but as I got into the writing it evolved into a novel I was able to relive all the sweet and bitter years of a half century ago From the beautiful women the club singing the Navy camaraderie and even the months I spent in a Naval hospital As I delved into the writing I could recall events and word for word conversations that I d long ago forgotten And then in my later years re experiencing the preciousness of my first true love and the hurt of living the adage History tends to repeat itself However another adage applies Better to have loved and lost than to have never loved let s just be glad we had some time to spend together For The Good Times **Savage Love** Lisa Renee Jones, They say all is fair in love and war but I really don t give a damn about fair In fact when protecting those I love fair is the last thing on my mind Now that I m back in Candace s life those who have used her to try to control me may well put up a final fight but they will not win They will lose and badly
