Memoir Ben Yagoda, 2009-11-12 From a critically acclaimed cultural and literary critic a definitive history and analysis of the memoir From Saint Augustine's Confessions to Augusten Burroughs's Running with Scissors from Julius Caesar to Ulysses Grant from Mark Twain to David Sedaris the art of memoir has had a fascinating life and deserves its own biography Cultural and literary critic Ben Yagoda traces the memoir from its birth in early Christian writings and Roman generals' journals all the way up to the banner year of 2007 which saw memoirs from and about dogs rock stars bad dads good dads alternadads waitresses George Foreman Iranian women and a slew of other illustrious persons and animals In a time when memoir seems ubiquitous and is still highly controversial Yagoda tackles the autobiography and memoir in all its forms and iterations He discusses the fraudulent memoir and provides many examples from the past and addresses the ramifications and consequences of these books Spanning decades and nations styles and subjects he analyzes the hallmark memoirs of the Western tradition Rousseau Ben Franklin Henry Adams Gertrude Stein Edward Gibbon among others Yagoda also describes historical trends such as Native American captive memoirs slave narratives courtier dramas where one had to pay to NOT be included in a courtesan's memoir Throughout the idea of memory and truth how we remember and how well we remember lives is intimately explored Yagoda's elegant examination of memoir is at once a history of literature and taste and an absorbing glimpse into what humans find interesting one another **The Literary World**, 1886 **The academy**, 1888

Validating Bachelorhood Scott Slawinski, 2005-01-07 This book explores images of single and married men in C B Brown's Monthly Magazine and concludes that Brown used his periodical as a vehicle for validating bachelorhood as a viable alternative form of masculinity *The Nation*, 1891 *The Detective's Companion in Crime Fiction* Lucy Andrew, Samuel Saunders, 2021-07-24 This book aims to establish the position of the sidekick character in the crime and detective fiction literary genres It re-evaluates the traditional view that the sidekick character in these genres is often overlooked as having a small generic or singular role either to act as the foil to the detective in order to accentuate their own abilities at solving crimes or else to simply tell the story to the reader Instead essays in the collection explore the representations and functions of the detective's sidekick across a range of forms and subgenres of crime fiction By incorporating forms such as children's detective fiction comics and graphic novels and film and television alongside the more traditional fare of novels and short stories this book aims to break down the boundaries that sometimes exist between these forms using the sidekick as a defining thread to link them together into a wider conceptual argument that covers a broad range of crime narratives

unique position to observe the special relationship that Peter and Dud shared and the rivalry that existed between them In LOVING PETER Judy gives a perceptive and poignant account of the Peter Cook that only she knew She writes with a mix of humour insight and sadness about one of the funniest most enigmatic and troubled men on the planet She describes what he was like as a husband performer friend father and man and gives an inside view of what really made him tick why he seemed to want to destroy those he loved the most how he succumbed to the destructive forces of drink and drugs and how he and Dudley really got on **The Spectator** ,1881
