Memorandum For Tourism Pat Phase One:

Positive Tourism in Africa Mucha Mkono, 2019-03-20 *Positive Tourism in Africa* provides a crucial counter narrative to the prevailing colonial and reductionist perspective on Africa's tourism trajectory and future. It offers a uniquely optimistic outlook for tourism in Africa whilst acknowledging the many challenges that African countries continue to grapple with. By examining broad and localized empirical studies, conceptual frameworks, culturally centered paradigms, and innovative methodological approaches for African contexts, this book showcases the many facets of tourism in Africa that illustrate hope, resilience, growth, and survival. This volume explores themes such as community-based tourism, wildlife tourism, tourism governance, and leadership crisis recovery, regional integration, the role of indigenous knowledge, event tourism, and the impact of smart technologies. It acknowledges the challenges and opportunities for growth that exist in these various contexts and explores how tourism creates value for the spectrum of its participants. Including a wide selection of contributions from diverse authors, many of them African, this book offers an Afro-centric interpretation of tourism phenomena. It will be of great interest to students, researchers, and academics in the field of Tourism and African Studies, as well as Development Studies and Geography.

Higher Education Challenges in South-East Asia Kahl, Christian, 2020-10-23 Over the last decade, many local students have preferred to study overseas. This has caused governments to announce the creation of programs and developments in the higher education sector to upgrade South East Asia to a leading education hub. Moreover, many governments declared that they would work on the insurance of learning to increase the quality of the degrees and the teaching itself. This has led many to question the results of these declarations. *Higher Education Challenges in South East Asia* provides an overview of what has been happening over the last ten years in higher education in South East Asia. It also works to solve the challenges in modern education, such as the impacts of digitalization, globalization, and Generation Y and Z learning styles. Covering topics that include globalization, educational technologies, and comparative teaching, this book impacts academic institutions, policymakers, government officials, university and college administrators, and leaders, academicians, researchers, and students.
