Read the folklore and answer the questions that follow.

King Midas and the Golden Touch

One evening, King Midas was all alone, admiring his gold. Just then, a servant walked in and commented on how happy the king looked. Midas responded that he wished he could make anything he touched turn to gold, that would make him even happier.

The king went to bed that night, dreaming of all the gold in the world. The next morning, he woke up and to his surprise, everything he touched turned into gold! The king was overjoyed! He went around touching everything that he could. Things quickly turned around when the king sat down to eat his breakfast and realised that he could not eat or drink anything without it turning to gold. The king started to worry that if he touched his daughter, she would turn to gold too.
