SOMALI ELDERS OVERSEE YOUTH

With generations growing up in America, supporting them will require Somali families to adapt.

For many Somali families, the transition from a traditional life in Somalia to a life in America has been a challenging one. In Somalia, the elders were the ones who oversaw the youth, and they were the ones who made the decisions. In America, the youth are the ones who are making the decisions, and the elders are the ones who are being left behind. This is a significant change, and it is one that many Somali families are struggling to adapt to.

What will your tax bill be in 2025?

With the new tax law, many taxpayers will see a significant increase in their tax bills. Here's what you need to know.

The new tax law, which was passed by Congress in December 2017, will have a significant impact on many taxpayers. One of the most significant changes is the increase in the tax rate on capital gains. This will result in a significant increase in the tax bills of many taxpayers who have capital gains. Another significant change is the increase in the tax rate on dividends. This will also result in a significant increase in the tax bills of many taxpayers who have dividends.

Work, it's like time — again? It signals stress

When you feel like time is passing too quickly, it's a sign of stress. Stress can make you feel like time is passing too quickly, and it can also make you feel like time is passing too slowly. This is a common experience, and it is a sign that you are under stress. Stress can be caused by many things, including work, family, and health. It is important to recognize the signs of stress and to take steps to manage it.

Stress can be a good thing, but it can also be a bad thing. When stress is good, it helps you to focus and to perform better. When stress is bad, it makes you feel overwhelmed and it can lead to health problems. It is important to find a balance between the good and the bad of stress.
