Third edition** John James BLUNT, 1850

**UNDESIGNED COINCIDENCES** John James Blunt, 2023-12-08 In Christian apologetics the argument from undesigned coincidences aims to support the historical reliability of the Bible So named by J J Blunt based on previous work by William Paley an undesigned coincidence is said to have occurred when an account of one event in the Bible omits a piece or pieces of information which is filled in seemingly coincidentally by a different recording which helps to answer inquiries raised by the first According to this approach undesigned coincidences often occur when one account forgoes a reason for an action which is given by a different account which often does not mention that action In this case so the argument goes there was a complex unified story both authors are writing down despite gathering data from different witnesses      **Mystical Moments**

**and Unitive Thinking** Dan Merkur, 1999-02-11 Merkur proposes an alternative to the traditional psychoanalytic explanation of mystical experiences as regression to the solipsism of earliest infancy. He does this by viewing unitive thinking as a line of cognitive development and mystical moments as creative inspirations on unitive topics. Utilizing classical self reports by Christian Jewish and Muslim mystics Patanjali's Yoga Sutras and modern Western peak experiences, Merkur argues that experiences of mystical union are manifestations of a broader category of psychological processes that manifest in scientific and moral thought as well as in mysticism. Unconscious as well as conscious unitive thinking is sometimes realistic and sometimes fantastic in patterns that are consistent with cognitive development in general. Mystical moments of unitive thinking may be considered moments of creative inspiration that happen to make use of unitive ideas. Building on the psychoanalytic object relations theory that the self is always in relationship with an object, Merkur argues that the solipsism of some varieties of mystical union always implies unconscious ideas of a love object who is transcendent.

**Faith and Reason** Ronald H. Nash, 1994-04 This book explores philosophical questions that have important implications for the truth and rationality of the Christian faith.

*The Many Faces of Evil (Revised and Expanded Edition)* John S. Feinberg, 2004-05-06 In this examination of the questions posed by the problem of evil, John Feinberg addresses the intellectual and theological framework of theodicy. Beginning with a discussion of the logical problem of evil, he interacts with leading thinkers who have previously written on these themes.

Tom Malone Joyce Vick, 2003 Among a generation of giants that brought fundamentalism to a position of prominence and influence in the twentieth century is the preacher from Pontiac, Dr. Tom Malone, founder and longtime pastor of Emmanuel Baptist Church of Pontiac, Michigan, as well as founder and president of Midwestern Baptist College. The reach of his ministry has been worldwide. Although a prominent influential figure today, Dr. Malone truly had a humble beginning. Reared in a broken home in the rural South in the Depression era, he struggled through the hardships of the times to prepare for the life of service that God had planned for him. Here is the story of Tom Malone, his wife Joyce, and the great ministries that have come about through their labors. It will excite you and encourage you to see what God will do through His faithful servants.

**The Philosophy of Miracles** David Corner, 2007-01-21 Philosophers who wish to argue for the rationality of belief in God frequently employ a god of the gaps strategy. This strategy consists in trying to find a phenomenon that cannot be explained by natural science and insisting that it can be explained only by reference to the activity of God. Philosophical discussion of miracles usually revolves around the attempt to link a miracle to God in just this way. One of the problems with this approach is that it is very difficult to identify anything as being forever beyond the power of science to explain. Science continues to advance upon the territory occupied by the god of the gaps. Thus it is desirable to develop an account of divine agency that will not be subject to revision in the face of scientific progress. This book is just such an account. Drawing on recent work in the theory of action, it shows that we can attribute God's agency to an event in nature without eliminating the possibility that it might be explained scientifically. In bringing God's

actions out of the gaps we avoid the possibility that future discoveries in science will make our talk of divine agency obsolete

**The absolute creation** Th. Om, 2023-08-14 The new work The absolute creation of the wandering monk Thich Om describes in a wonderful easily understandable way with the unconditional tendency to open your eyes the consequence of the perfect absolute creation Before a glorious world whose source is love is spoken and we have the opportunity to discover it With a gentle pen Thich Om easily leads to an understanding that has nothing to do with society's conventional thought system

McKenzie, 2009-01-01 The present collection of essays selected by a priest teacher and laywoman student at Loyola University brings together wide ranging mind opening and absorbing studies on major aspects of biblical scholarship The volume comprises four major sections In the first Free Scholarship in the Church McKenzie emerges as an articulate spokesman for freedom of intellectual inquiry within the household of the faith Part 2 Inspiration and Revelation are lucid intellectually exhilarating investigations into the meaning of God's word and the historical processes from which the Bible emerged Part 3 Myth and the Old Testament includes probing essays that bring the reader face to face with an important and difficult subject the attitude of the biblical man to nature and to the mythologies of his pagan neighbors The final section Messianism is devoted to a study of the hopes of Israel of old and their fulfillment in Jesus Christ along with the use of messianic passages for apologetic purposes
