Missing Footprints Challenging A Fatherless America:

A Footprint in Time Brian D. Everett, 2018-12-30 This is an encapsulation of one person's travel through time not necessarily meaningful in its portrayal or its outcomes but in its own small way leaving an imprint in the sands of time It is a personal record of one who has lived through and in some small way participated in a few of the events that have shaped our history It also encapsulates events that embrace family friends and acquaintances At the same time it touches on those events and locations that have also had both major and minor impacts on the world stage in an age in which we have witnessed incredible changes in technology across a wide area of human endeavours Developments that have seen man leave his own environment for the first time to venture into the space that lies beyond something that our predecessors could never have dreamed possible Changes that have also brought economic and social improvements and yet have not resolved the issues of human conflict or our responsibilities as custodians of the planet *No Process...No Promise!* Deborah Cofer, 2004-12 Ye though I walk through the valley of the shadow of death I will fear no evil for thou art with me Psalm 23 When Deborah Cofer began her spiritual journey three years ago she went in search of fulfillment and in the process found God She believes that Without Him I would never have made it through the insurmountable internal and external challenges I faced Deborah's struggle was profound and although NO PROCESS NO PROMISE is at times riveting her journey of courage and determination will make you laugh cry and even shout as you move forward to enhance your own personal relationship with God Having reached what many call the mountain top she now shares her spiritual journey with the world along with God's latest and greatest Covenant with mankind NO PROCESS NO PROMISE will both inspire and motivate you to understand the high price everyone will pay for continuing to live outside of the will of God **A Leap Into Love** Alina K. Field, 2018-02-22 Can a gentleman be too charming The ladies of Upper Upton think so And it's almost Leap Day when a man who refuses a lady's proposal of marriage must offer a forfeit When the single ladies of the village conspire to teach their charmer a lesson that might bankrupt him the town's loveliest young widow steps up to warn him His secrets and hers make them a perfect match and she's the lady he wants But she won't accept his proposal not even to rescue him As Leap Day approaches the clock is ticking Can he convince her in time to say yes to his offer and take a leap into love **America**, 1925 The Jesuit review of faith and culture Nov 13 2017 [The New Near East](#), 1924 *The Freemason's Chronicle*, 1892 [The Congressional Globe](#) United States. Congress, 1871 **Story of the Maumee Valley, Toledo, and the Sandusky Region** Charles Sumner Van Tassel, 1929 **I Am Brother Oji** Mello Ayo, 2022-03-31 In November 1989 the Royal Ontario Museum staged a controversial exhibit called Into The Heart of Africa This sparked a protest demonstration that proved to be a life changing experience for many The youth led outcry for change became a landmark in Ontario's race relations leading to an upheaval so impactful it altered the course of history for museums worldwide becoming in effect a milestone in the way museums mount and curate exhibits Thirty one years later for the first time the authorized biography of one of the main

protagonists Adisa Oji the only demonstrator to be imprisoned for his actions is being told publicly Few people know of his courageous story a young man who heroically stood up against institutionalized racist practices and was punished His up until now unknown personal history sheds irrefutable light on the current public and global agitation regarding race and racism and compels us to honestly re examine the long lasting tragic effects of colonialism and slavery This biography fills an important gap even for those who may be familiar with the Royal Ontario Museum episode while providing an informative gripping history for those who may not In a world where the significant contributions of people of African ancestry are most often overlooked or given short thrift I AM Brother Oji honours and highlights for global recognition the life leadership and legacy of a young Canadian of African Caribbean descent who distinguished himself during a time of social controversy Adisa S Oji s extraordinary story provides a window of illumination on how to break cycles of oppression and exploitation His story is a source of fresh and thoughtful insight into what it means to be a person of African ancestry living in a predominantly white European milieu and calls attention to the effectiveness of efforts directed at addressing racial discrimination inequity and injustice With the help of abundant amounts of photographs Mello Ayo as narrator and social commentator weaves a vivid beautiful story of uncompromising triumph and self empowerment While the ROM episode provides a point of departure the unflinching narrative goes beyond and connects the past with the present to create an enchanting hero s journey transiting through the sociopolitical and historical landscapes of Jamaica Canada and Ghana At a time when many young people are becoming disenchanted slumping into alienation and learned helplessness or collapsing into sub cultures of violence a look at how one young man kept his youthful optimism alive and how he refused to become a victim while making a positive difference is deserving of our attention
