Ron Paul and His Revolution George Dance,2011    Government Secrecy Susan Maret,2011-01-26 Divided into six sections this title examines Government secrecy GS in a variety of contexts including comparative examination of government control of information new definitions categories censorship ethics and secrecy s relationship with freedom of information and transparency    1984 Redux Andrew Curtiss,2011 July 2009 Andrew Curtiss received a Chain Mail in his E Mail box The Message was sent to him from a former colleague he served with in the US Army Special Forces at Fort Bragg North Carolina The subject line of the message read Congratulations you made the terrorist watch list The content suggested that the Department of Homeland Security had labeled millions of Americans who are Constitutionalists Pro Life of Christian faith voters for rightwing politics are combat veterans and more as potential domestic terrorists After researching the matter Andrew found that the DHS did infact publish such a report that was meant to be confidential for law enforcement only The report was published April 7 2009 It was during Andrew s research into the matter that he realized the Fundamental Transformation of America as promised by Barrack Obama was indeed transforming America into something much like Oceania in George Orwell s 1984 1984 Redux digs deep into the issues facing Americans today as America Fundamentally Transforms Curtiss draws the comparison of where Obama and his leftist handlers and drones want to take America as part of this transformation to the extreme Socialist Oligarchy depicted in Orwell s 1984 Supported by scores of references and facts one might be surprised to see how close to Orwell s nightmarish depiction America is headed 1984 Redux is not only a wakeup call to America but the world as to what could be if the most influential nation in the world and last hope for freedom falls to the left    Now Tell Me I Was Wrong Tom DeWeese,2011-01-05 In this book Tom DeWeese has collected a strong representation of the hundreds of articles hes written on these subjects through the years These articles were written during some of the greatest changes to our government our schools our economy and our personal freedoms yet witnessed in American history They document the fights that erupted over those changes as policy was being written and enacted They name the perpetrators and document their actions In short this book represents a history of some of the major political battles of our time and stands as a truly remarkable indictment of not only the Democrats but more so of the Republicans who had a chance to stop those changes but instead actually helped make them happen For decades Tom DeWeese has been sounding the alarms over government land grabs radical environmentalists radical reform in the schools attacks on our national sovereignty and UN driven global governance For his efforts Tom DeWeese was not only ignored but derided and labeled an alarmist Now however those policies he warned us about are front page headlines fueling a national discontent As a result today most of the issues are the root of the growing national protest now commonly known as the Tea Party movement As they rip apart our nation and protests grow in our streets Tom DeWeese issues this challenge Now tell me I was wrong    **Hearings, Reports and Prints of the House Committee on Banking, Currency, and Housing** United
