Festivals and Values Waldemar Kuligowski, Marcin Poprawski, 2023-11-27 This is an original book covering all the past areas of research anyone would need to know about festivals and event based culture It is based on academic research but written in a way relevant for cultural professionals uniquely explaining the cultural power of festivals and with original empirical research the realities of organisation and management and social and economic value Dr Jonathan Vickery Reader in Cultural Policy Studies and Director Centre for Cultural and Media Policy Studies Univeristy of Warwick This book discusses music festivals in the context of the specific values they convey Today music festivals are a permanent feature of national regional and local cultural policies a valuable asset in the tourism industry and a significant source of income for an industry that has been adversely affected by the steady decline in physical sales of music For the audience on the other hand it is an opportunity to escape from everyday life multi sensory contact with art an activity that stands for full body participation a cultural phenomenon that drags people out of their homes like no other There is one common denominator linking the above mentioned features of contemporary music festivals namely the world of values This is evident from the non accidental locations festivals spaces design planning and the line ups created consciously with great care The organisers missions logos and other symbolic organisational artefacts communicate specific values These values are explicitly mentioned by artists and audiences they can be easily identified in online forums and media reports participant behaviour festival rituals and additional festival programs are shaped on the basis of values and cooperation is built between the festival and the local community As the reader will quickly realize numbers and statistics sit alongside descriptions and quotations in this book and the organisers statements are accompanied by the opinions of academics but above all the festival audience is given a voice both through quotations and their drawings This voice is by no means uniform as it turned out that research into values was often transformed into a pretext for spinning tales about one s life situation one s political preferences and one s understanding of freedom and responsibility Memories were mixed with declarations joy with regret curses with dreams prose with poetry Thomas Pettitt was not wrong in noting

that Social history has learnt to appreciate festival as a valuable window on society and its structures The authors have tried to open all the windows available Students and researchers in the fields of cultural anthropology social psychology folklore studies comparative religion sociology of culture cultural policy cultural history and cultural management will find this book highly interesting *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency,1963 *Music Festivals and the Politics of Participation* Roxy Robinson,2016-04-29 The spread of UK music festivals has exploded since 2000 In this major contribution to cultural studies the lid is lifted on the contemporary festival scene Gone are the days of a handful of formulaic large events dominating the market place Across the country hundreds of boutique gatherings have popped up drawing hundreds of thousands of festival goers into the fields Why has this happened What has led to this change In her richly detailed study industry insider Dr Roxy Robinson uncovers the dynamics that have led to the formation and evolution of the modern festival scene Tracing the history of the culture as far back as the fifties this book examines the tensions between authenticity and commerce as festivals grew into a widespread professionalized industry Setting the scene as a fragmented yet highly competitive market *Music Festivals and the Politics of Participation* examines the emergence of key trends with a focus on surrealist production and popular theatricality For the first time the transatlantic relationship between British promoters and the social experiment come festival Burning Man is documented uncovering its role in promoting a politics of participation that has dramatically altered the festival experience Taking an in depth approach to examining key events including the fastest growing independent music festival in recent years Hampshire s BoomTown Fair the UK market is shown to have produced a scene that champions co production and the democratization of festival space This is a vital text for anyone interested in British culture *International Perspectives of Festivals and Events* Jane Ali-Knight,Alan Fyall,Martin Robertson,Adele Ladkin,2009-02-04 *International Perspectives of Festivals and Events* addresses contemporary issues concerning the potential of festivals and events to produce economic social cultural and community benefits Incorporating a range of international perspectives the book provides the reader with a global look at current trends and topics which have until now been underrepresented by current literature *International Perspectives of Festivals and Events* includes a broad range of research case studies and examples from well known scholars in the field to form a unified volume that informs the reader of the current status of festivals and events around the world In a fast moving industry where new theory and practice is implemented rapidly this is essential reading for any advanced student or researcher in festivals and events **World Socialist Cinema** Masha Salazkina,2023-06-13 One of the Best Scholarly Books of 2023 The Chronicle of Higher Education A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more In this capacious transnational film history renowned scholar Masha Salazkina proposes a groundbreaking new framework for understanding the cinematic cultures of twentieth century socialism Taking as a point of departure the vast body of work screened at the Tashkent International

Festival of Cinemas of Asia Africa and Latin America in the 1960s and 1970s World Socialist Cinema maps the circulation of films between the Soviet Bloc and the countries of the Global South in the mid to late twentieth century illustrating the distribution networks festival circuits and informal channels that facilitated this international network of artistic and intellectual exchange Building on decades of meticulous archival work this long anticipated film history unsettles familiar stories to provide an alternative to Eurocentric national and regional narratives rooted outside of the capitalist West

Festival Management & Event Tourism, 1993 *Queer Festivals* Konstantinos Eleftheriadis, 2025-10-01 To what extent is queer anti identitarian And how is it experienced by activists at the European level At queer festivals activists artists and participants come together to build new forms of sociability and practice their ideals through anti binary and inclusive idioms of gender and sexuality These ideals are moreover channelled through a series of organisational and cultural practices that aim at the emergence of queer as a collective identity Through the study of festivals in Amsterdam Berlin Rome Copenhagen and Oslo *Queer Festivals Challenging Collective Identities in a Transnational Europe* thoughtfully analyses the role of activist practices in the building of collective identities for social movement studies as well as the role of festivals as significant repertoires of collective action and sites of identitarian explorations in contemporary Europe Focus On World Festivals Chris Newbold, Jennie Jordan, 2016-02-29 A contemporary overview of festival activity based on over 30 international case studies It demonstrates how the nature of festivals crosses borders how they are a recognisable and growing part of societal and cultural delivery around the globe and that their impacts economic social and cultural are a major driver in their development Small Cities David Bell, Mark Jayne, 2006-09-27 Until now much research in the field of urban planning and change has focused on the economic political social cultural and spatial transformations of global cities and larger metropolitan areas In this topical new volume David Bell and Mark Jayne redress this balance focusing on urban change within small cities around the world Drawing together research from a strong international team of contributors this four part book is the first systematic overview of small cities A comprehensive and integrated primer with coverage of all key topics it takes a multi disciplinary approach to an important contemporary urban phenomenon The book addresses political and economic decision making urban economic development and competitive advantage cultural infrastructure and planning in the regeneration of small cities identities lifestyles and ways in which different groups interact in small cities Centering on urban change as opposed to pure ethnographic description the book s focus on informed empirical research raises many important issues Its blend of conceptual chapters and theoretically directed case studies provides an excellent resource for a broad spectrum of undergraduate and postgraduate students as well as providing a rich resource for academics and researchers
