Tongzhi Edmond J Coleman, Wah-Shan Chou, 2013-09-05 Tongzhi Politics of Same Sex Eroticism in Chinese Societies examines Chinese societies where the family kinship system rather than sexuality is taken as the basis of an individual's identity With Tongzhi you will come to understand the variations of same sex erotica in different Chinese societies Examining past and present treatment of the subject including instances of discrimination against homosexuals Tongzhi explores same sex eroticism in China Hong Kong and Taiwan and explains the variations of categories and experiences of tongzhi in these countries Just what is Tongzhi Tongzhi is the most popular contemporary Chinese word for lesbians bisexuals and gay people The word which has very positive historical references was a Chinese translation from the Soviet communist term comrade It was appropriated by a Hong Kong gay activist in 1989 for the first Lesbian and Gay Film Festival in Hong Kong by its organizers who wanted to employ an indigenous representation of same sex eroticism The term homosexual was inappropriate because of its use as a medical term denoting sickness and pathology Within a few years tongzhi became a widely used term in Hong Kong and Taiwan and is often used interchangeably with the English term gay But terms such as gay lesbian and queer are Anglo Saxon in origin with specific histories that cannot capture the indigenous features of Chinese same sex relationships Tongzhi implies and includes much more S Mers transvestites and other fetishists who are members of the Chinese sexual counterculture who may be quite heterosexual are also tongzhi And the term has meaning beyond the sexual it embodies a strong sentiment for integrating the sexual legitimizing same sex love the political sharing the goals of fighting heterosexism and the cultural reappropriating their Chinese identity Tongzhi brings you fascinating insight into the history of same sex eroticism in China coming out in Chinese society how colonialism has affected sexual nonconformists in this region racial and sexual dynamics in Colonial Hong Kong the cultural politics of being a tomboy girl in modern Hong Kong queering the mainstream with tongzhi identity politics sexual cultural diversities and differences among contemporary Chinese societies

and much more Tongzhi shows how culture influences identity and demonstrates how you can develop relevant strategies for successful activist movements Discussing political movements for gay lesbian bisexual rights and the societal implications of same sex eroticism this intelligent book provides you with a clear understanding of the attitudes toward and meanings of being tongzhi today *Gender and Sexuality in Contemporary Popular Fantasy* Jude Roberts, Esther

MacCallum-Stewart, 2016-06-03 This book explores the ways in which contemporary writers artists directors producers and fans use the opportunities offered by popular fantasy to exceed or challenge norms of gender and sexuality focusing on a range of media including television episodes and series films video games and multi player online role play games novels and short stories comics manga and graphic novels and board games Engaging directly with an enormously successful popular genre which is often overlooked by literary and cultural criticism contributors pay close attention to the ways in which the producers of fantasy texts whether visual game cinematic graphic or literary texts are able to play with gender and sexuality to challenge and disrupt received notions and to allow and encourage their audiences to imagine ways of being outside of the constitutive constraints of socialized gender and sexual identity With rich case studies from the US Australia UK Japan and Europe all concentrating not on the critique of fantasy texts which duplicate or reinforce existing prejudices about gender and sexuality but on examining the exploration of or attempt to make possible non normative gendered and sexual identities this volume will appeal to scholars across the social sciences and humanities with interests in popular culture fantasy media studies and gender and sexualities **PC/Computing**, 1996 *Learning the Virtual Life* Peter Pericles

Trifonas, 2012-04-23 Digital technologies have transformed cultural perceptions of learning and what it means to be literate expanding the importance of experience alongside interpretation and reflection *Learning the Virtual Life* offers ways to consider the local and global effects of digital media on educational environments as well as the cultural transformations of how we now define learning and literacy While some have welcomed the educational challenges of digital culture and emphasized its possibilities for individual emancipation and social transformation in the new information age others accuse digital culture of absorbing its recipients in an all pervasive virtual world Unlike most accounts of the educational and cultural consequences of digital culture *Learning the Virtual Life* presents a neutral advanced introduction to the key issues involved with the integration of digital culture and education This edited collection presents international perspectives on a wide range of issues and each chapter combines upper level theory with real world practice making this essential reading for all those interested in digital media and education **Pack Strap Carry** Charlie Richards, 2019-06-07 Patrick Dolcet is hired

by a friend of an ex boyfriend to represent him when he enters a custody battle While stopping at the client's place for a consultation he comes across a man who pushes every last one of his buttons Brand Erdogan is big brawny and has a friendly smile Patrick isn't certain if the attraction is mutual and Brand seems reluctant to start anything for a few reasons The man doesn't consider himself gay or even bisexual On top of that Brand thinks Patrick a successful custody lawyer is way out of

his league With a little help from a friend Brand agrees to join Patrick for dinner and then another Even though their actions are discrete someone has it in for Patrick When pictures of Patrick and Brand in a compromising position threaten not only his job but his relationship with Brand Patrick has to rely on the trust they've built Will the chance at love be enough to keep Brand at Patrick's side Or will one too many obstacles tear their possible future apart *SPIN*, 1994-08 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks *Racial Erotics* C. Winter Han, 2021-07-16 Finalist for the 2022 Lambda Literary Award for LGBTQ Studies Finalist for the 2022 Randy Shilts Award sponsored by The Publishing Triangle Honorable Mention for the 2024 John Leo and Dana Heller Award for Best Single Work Anthology Multi Authored or Edited Book in LGBTQ Studies sponsored by the Popular Culture Association Exposes a racial hierarchy of desire that centers whiteness in queer social worlds Sexual desire often understood as personal erotic preference is frequently seen as neutral natural or inevitable Countering these commonplace assumptions *Racial Erotics* shows how sexual partnering within communities of gay men is deeply embedded within larger social structures that define whiteness as desirable and normative while othering men of color In queer erotic economies this othering may take the form of sexual rejection or fetishization of men of color but C Winter Han argues that the real danger of sexual racism is that it creates a hierarchy of racial worth that extends outside of erotic encounters into the everyday lives of gay men of color In this way sexual racism perpetuates a larger project of racial erasing that equates gayness with whiteness to secure acceptance for gay white men at the expense of queers of color With vivid examples from interviews media representations and online dating sites Han highlights the creative means through which gay men of color cordoned off in spaces both gay and straight produce alternative frameworks to combat dominant narratives *Racial Erotics* offers a new paradigm for understanding the connection of race and queer desire demonstrating how race profoundly shapes sexual desires among men while racialized notions of desire construct beliefs about belonging *PC Magazine*, 1995 *Violence Against Lesbians and Gay Men* Gary David Comstock, 1991 Violence against lesbians and gay men is becoming recognized as a social problem and is taking its place among such societal concerns as violence against women children and ethnic and racial groups This book focuses on the current situation of lesbian gay people and is concerned with making a contribution toward overcoming violence directed against them **Queer Bangkok** Peter A. Jackson, 2011-03-01 The Thai capital Bangkok is the unrivalled centre of the country's gay lesbian and transgender communities These communities are among the largest in Southeast Asia and indeed in the world and have a diversity social presence and historical depth that set them apart from the queer cultures of many neighbouring societies The first years of the 21st Century have marked a significant

transition moment for all of Thailand's LGBT cultures with a multidimensional expansion in the geographical extent media presence economic importance political impact social standing and cultural relevance of Thai queer communities This book analyzes the roles of the market and media especially cinema and the Internet in these transformations and considers the ambiguous consequences that the growing commodification and mediatisation of queer lives have had for LGBT rights in Thailand A key finding is that in the early 21st Century processes of global queering are leading to a growing Asianisation of Bangkok's queer cultures This book traces Bangkok's emergence as a central focus of an expanding regional network linking gay lesbian and transgender communities in Hong Kong Singapore Taiwan Indonesia the Philippines and other rapidly developing East and Southeast Asian societies Peter A Jackson is associate professor in the School of Culture History and Language at Australian National University The myriad faces of Thai gender sexuality culture have been an attraction for both pleasure seekers and researchers scholars activists Exploring the rapidly changing LGBT cultures and Thai queer identities the essays collected here provide insightful analyses of historical continuities as well as developing variations within the highly complex erotic economic texture of Thai society A must read for anyone in the booming field of gender sexuality studies Josephine Ho Chair Professor Center for the Study of Sexualities National Central University Taiwan
