

# FAREWELL SPEECH BY STUDENTS

- Saying goodbye to your friend is one of the most difficult things that school never taught us.
- I am a person who believes in the cycle of life and hence I don't believe in the concept of goodbye.
- Farewell party is just to mark the end of our school life and not the end of our friendship.
- I am going to miss each and every one of you on the campus, whether it's my friend's, fellow classmates, juniors, seniors, teachers, dean and all the non-teaching faculties.
- Let us all look forward to our future and bring laurels to our college who has given us so much knowledge and helped us build our personality.
- I am sure our juniors have planned some fantastic things for us today, so let us it back and enjoy our farewell party.
- As much as I am sad to leave this campus and go away, I am looking forward to the beautiful future that is waiting for us.
- As much as we hate to study and all the project works and assignments that our teachers gave us, we can say with confidence that they have moulded us into better students and we are ready to take on the challenges in life.
- The farewell day is the only day where you have got the chance to tell anything to anyone that you had in your heart for a very long time.
- Let us all promise that farewell day is not the last day that you are going to see each other. Let us promise that we are going to stay in touch with each other no matter what.
