Japanese Women in Science and Engineering Naonori Kodate,Kashiko Kodate,2015-07-30 The gender gap in science technology engineering and mathematics STEM varies greatly from country to country and the number of Japanese women in these fields remains relatively few This prompts us to ask why the proportion of female scientists in Japan is still remarkably low and what measures the government universities and research institutes are taking to address this issue This book sheds light on historical developments and the current gender equality situation in Japan through the lens of women in STEM It shows how a policy of gender equality in science and engineering has been introduced through the coordinated efforts of academia scientific societies and the government and how this has led to a slow but steady increase in female representation The book draws on extensive data including interviews with government officials scientists and educators in Japan to provide a revealing case study on how the underrepresentation of women in the fields of science technology and engineering has been approached and dealt with by a national government It heralds a new era for female scientists by showcasing several programmes undertaken by government universities and national research institutions to support multiple career paths for and the progression of female scientists in Japan Tracing the historical development of Japan s policies towards women in science and education this book will be welcomed by students and scholars interested in Japanese studies comparative social policy gender studies employment and the history of science and technology Number Savvy George Sciadas,2022-12-16 This book is written for the love of numbers It tells their story shows how they were invented and used to quantify our world and explains what quantitative data mean for our lives It aspires to contribute to overall numeracy through a tour de force presentation of the production use and evolution of data Understanding our physical world our economies and our societies through quantification has been a persistent feature of human evolution This book starts with a narrative on why and how our ancestors were driven to the invention of number which is then traced to the eventual arrival at our number system This is followed by a discussion of how numbers were used for counting how they enabled the measurement of physical quantities and how they led to the estimation of man made and abstract notions in the socio economic domain As data don t fall like manna from the sky a unique feature of this book is that it explains from a teacher s perspective how they re really conceived in our minds how they re actually produced from individual observations and how this defines their meaning and interpretation It discusses the significance of standards the use of taxonomies and clarifies a series of misconceptions regarding the making of data The book then describes the switch to a new research paradigm and its implications highlights the arrival of microdata illustrates analytical uses of data and closes with a look at the future of data and our own role in it

Marx and the Political Economy of the Media ,2015-09-29 More than 130 years after Karl Marx s death and 150 years after the publication of his opus magnum Capital Critique of Political Economy capitalism keeps being haunted by period crises The most recent capitalist crisis has brought back attention to Marx s works This volume presents 18 contributions that show how Marx s analyses of capitalism the commodity class labour work exploitation surplus value dialectics crises ideology class struggles and communism help us to understand media cultural and communications in 21st century informational capitalism Marx is back This book is a key resource on the foundations of Marxist Media Cultural and Communication Studies *China's Many Dreams* D. Kerr,2016-04-30 China s new leader Xi Jinping has announced that the China Dream of great rejuvenation of the Chinese nation is now closer than ever This book discusses the meaning and progress of Chinese national rejuvenation from multiple perspectives It discusses critically China s progress towards becoming a strong prosperous and well governed country **ICHSS 2022** Sarwiji Suwandi,Andayani Andayani,Heru Kurniawan,Aninditya Sri Nugraheni,2023-10-10 We are pleased to introduce the proceedings of the second edition of the International Conference of Humanities and Social Science 2022 ICHSS The conference has brought researchers developers and practitioners around the world to write about their work in social and humanities research aimed at strengthening diversity The theme of ICHSS 2022 is Freedom to Learn in Education Social Religious Culture and Language Perspective *Lower Ed* Tressie McMillan Cottom,2018-08-07 The best book yet on the complex lives and choices of for profit students The New York Times Book Review As featured on The Daily Show NPR s Marketplace and Fresh Air the powerful chilling tale Carol Anderson author of *White Rage* of higher education becoming an engine of social inequality p *Lower Ed* is quickly becoming the definitive book on the fastest growing sector of higher education at the turn of the twenty first century for profit colleges With sharp insight and deliberate acumen Tressie McMillan Cottom a sociologist who was once a recruiter at two for profit colleges expertly parses the fraught dynamics of this big money industry Drawing on more than one hundred interviews with students employees executives and activists *Lower Ed* details the benefits pitfalls and real costs of the expansion of for profit colleges Now with a new foreword by Stephanie Kelton economic advisor to Bernie Sanders s presidential campaign this smart and essential book cuts to the very core of our nation s broken social contracts and the challenges we face in our divided unequal society **Foundations of Adult Nursing** Dianne Burns,2015-04-30 Covering the issues themes and principles that explain what it means to be a nurse today this book provides the theory students need to know and applies it to the diverse patient groups and settings that students will encounter on their placements Key features of the book are Introduces the core aspects of adult nursing An evidence based approach with discussion of literature policy and research and suggested further reading for every chapter Over 30 case studies to help students understand the realities of practice across a range of settings including primary care and the community Stop and think boxes which challenge assumptions and encourage reflection A companion website with sample questions for lecturers to use

in seminars multiple choice questions for student revision and free SAGE journal articles The book has been closely developed in line with the NMC Standards and Essential Skills Clusters and supports students across their entire degree programme as they develop into nurses of the future ready to deliver and lead care

Why People (Don't) Buy Amitav Chakravarti, Manoj Thomas, 2015-05-15 Full of practical diagrams and maps as well as international case studies this book offers a unique and extensively tested GO STOP Signal Framework which allows managers to better understand why consumers are not buying their products and what can be done to put this right

The Oxford Handbook on the United Nations Thomas G. Weiss, Sam Daws, 2018-06-28 This Handbook provides in one volume an authoritative and independent treatment of the UN's seventy year history written by an international cast of more than 50 distinguished scholars analysts and practitioners It provides a clear and penetrating examination of the UN's development since 1945 and the challenges and opportunities now facing the organization It assesses the implications for the UN of rapid changes in the world from technological innovation to shifting foreign policy priorities and the UN's future place in a changing multilateral landscape Citations and additional readings contain a wealth of primary and secondary references to the history politics and law of the world organization This key reference also contains appendices of the UN Charter the Statute of the International Court of Justice and the Universal Declaration of Human Rights

Bodies of Information Elizabeth Losh, Jacqueline Wernimont, 2019-01-08 A wide ranging interconnected anthology presents a diversity of feminist contributions to digital humanities In recent years the digital humanities has been shaken by important debates about inclusivity and scope but what change will these conversations ultimately bring about Can the digital humanities complicate the basic assumptions of tech culture or will this body of scholarship and practices simply reinforce preexisting biases Bodies of Information addresses this crucial question by assembling a varied group of leading voices showcasing feminist contributions to a panoply of topics including ubiquitous computing game studies new materialisms and cultural phenomena like hashtag activism hacktivism and campaigns against online misogyny Taking intersectional feminism as the starting point for doing digital humanities Bodies of Information is diverse in discipline identity location and method Helpfully organized around keywords of materiality values embodiment affect labor and situatedness this comprehensive volume is ideal for classrooms And with its multiplicity of viewpoints and arguments it's also an important addition to the evolving conversations around one of the fastest growing fields in the academy Contributors Babalola Titilola Aiyegbusi U of Lethbridge Moya Bailey Northeastern U Bridget Blodgett U of Baltimore Barbara Bordalejo KU Leuven Jason Boyd Ryerson U Christina Boyles Trinity College Susan Brown U of Guelph Lisa Brundage CUNY Michael C. Research Ethics in Criminology Malcolm Cowburn, Loraine Gelsthorpe, Azrini Wahidin, 2016-12-19 Ethical principles and concerns are at the heart of criminological research and can arise at the planning implementation and reporting stages It is vital that researchers are aware of the issues involved so that they can make informed decisions about the implications of certain choices This cutting edge book charts the changing topography of ethics governance and accountability for social science research in criminology contributes to the developing discourse on research ethics and demonstrates the importance as to why research ethics should be taken seriously Bringing together a range of experts who consider both quantitative and qualitative methodologies This book examines the key issues and challenges of ethical research Topics covered include the measures in place to ensure ethical research practice for social scientists the relationship between state funding and research findings the challenge of researching sensitive areas the changing face of governance and accountability for academic criminology Research Ethics in Criminology is a comprehensive and accessible text that is ideal for students studying criminological research methods Supplementary material includes key points chapter summaries critical thinking questions key definitions case examples and recommendations for further reading This book will provide a thorough grounding in the ethical issues faced by researchers as well as an understanding of the role and purpose of ethics committees

Annual Report India. Ministry of Culture, 2014

Periodical Famines Lindsay Janssen, 2025-02-04

Long recognized as Ireland's greatest demographic disaster in recent history the Great Famine of 1845-1851 has shaped Irish identities around the world From the monuments erected to commemorate its victims to the political rhetoric involving it to the novels poems songs and films that it continues to inspire the Famine remains a crucial part of Irish memory Famine memories have also reached across history and national borders to establish links with cultural groups who were not directly connected to the Irish diaspora *Periodical Famines* reveals how within the transatlantic Irish periodical market between 1845 and 1910 Irish Irish American and Irish Canadian newspapers and magazines acted as carriers and shapers of cultural identities Lindsay Janssen argues that famine memory was deployed transhistorically to help represent other crucial events in the Irish past and periodicals used Famine recollections transnationally to give new meaning to events outside of Ireland such as labor issues in the United States and the Second Boer War Moving beyond individual writings to interrogate how different texts printed within a periodical issue influenced each other and affected audiences attitudes to Irish hunger and distress Janssen's cotextual approach reveals the intricate and sometimes divergent paths that Famine memory traveled

through in the decades during and after its onset Drawing upon a substantial corpus of creative and nonfiction periodical publications including nearly 600 works of poetry and prose fiction Periodical Famines is a thorough analysis of transatlantic Irish periodical culture during and after the Great Famine demonstrating how periodicals transmission of famine memories shaped global cultures *Urban Horticulture* Tina Marie Waliczek, Jayne M. Zajicek, 2016-01-06 In the wake of urbanization and technological advances public green spaces within cities are disappearing and people are spending more time with electronic devices than with nature Urban Horticulture explores the importance of horticulture to the lives health and well being of urban populations It includes contributions from experts in research The Oxford Handbook of the Archaeology of Childhood Sally Crawford, Dawn Hadley, Gillian Shepherd, 2018-05-10 Real understanding of past societies is not possible without including children and yet they have been strangely invisible in the archaeological record Compelling explanation about past societies cannot be achieved without including and investigating children and childhood However marginal the traces of children s bodies and bricolage may seem compared to adults archaeological evidence of children and childhood can be found in the most astonishing places and spaces The archaeology of childhood is one of the most exciting and challenging areas for new discovery about past societies Children are part of every human society but childhood is a cultural construct Each society develops its own idea about what a childhood should be what children can or should do and how they are trained to take their place in the world Children also play a part in creating the archaeological record itself In this volume experts from around the world ask questions about childhood thresholds of age and growth childhood in the material culture the death of children and the intersection of the childhood and the social economic religious and political worlds of societies in the past **Public Health Communication** Parvanta, David E. Nelson, Richard N. Harner, 2017-03-21 Introduction to public health communication Claudia Parvanta Population health a primer Patrick L Remington A public health communication planning framework Claudia Parvanta How to communicate about data David E Nelson Understanding and reporting the science David E Nelson Communicating for policy and advocacy Claudia Parvanta Health literacy and clear health communication Erika M Hedden Behavior change communication theories models and practice strategies Claudia Parvanta Formative research Claudia Parvanta Media vehicles platforms and channels Claudia Parvanta Implementating a communication intervention Claudia Parvanta Evaluating a health communication program May Grabbe Kennedy and Jonathan DeShazo Clinician client communication Richard N Harner The role of communication in cancer prevention and care Wen ying Sylvia Chou Danielle Blanch Hartigan Chan Le Thai Crisis and emergency risk communication a primer David W Cragin and Claudia Parvanta Health communication in resource poor countries Carmen Cronin and Suruchi Sood

Right here, we have countless ebook **Grade 9 Social Science November 2014** and collections to check out. We additionally pay for variant types and with type of the books to browse. The okay book, fiction, history, novel, scientific research, as with ease as various additional sorts of books are readily genial here.

As this Grade 9 Social Science November 2014, it ends occurring beast one of the favored ebook Grade 9 Social Science November 2014 collections that we have. This is why you remain in the best website to see the incredible ebook to have.
