Making a Portfolio

Portfolio is a collection of pictures, specimens, and small objects usually resembling an album or a scrapbook. Unlike a scrapbook, the portfolio is a project-based collection of specimens related to a particular subject. It includes but is not limited to test samples, corrected activities, photos and sample projects that are labeled simply and formally unlike in the scrapbook; where labels are either formal or informal depending on the choice of the student.

Portfolio provides you the opportunity to become more independent in creating a visually interesting compilation of projects and specimens to promote learning. A properly prepared portfolio also provides a rich source of information and an effective tool for independent, cooperative, and transformative learning.
