*The School Reform Landscape Reloaded* Christopher H. Tienken, 2020-10-30 The School Reform Landscape Reloaded More Fear Myths and Lies peels back the curtain of school reform to examine the tensions that exist between the democratic and

equitable system of public education and the emerging dual system based on elite interests aimed at profit making and decreasing education equity The author takes in depth and controversial look at school reform since the launch of Sputnik I Education reform events proposals and policies are examined through the lens of progressivist philosophy and critical social theory Some of the issues and policies critiqued include the neoliberal corporate influence on education the Sputnik myth A Nation At Risk standardization charter schools and other relevant topics The author provides an evidence based view of the free market reform ideas and he pierces the veil of the new reform policies to find that they are not built upon empirical evidence but instead rest solidly on foundations of myth fear and lies Ideas for a new set of reform policies based on empirical evidence and supportive of a unitary equitable and democratic system of education are presented International Collaborations in Literacy Research and Practice Cynthia B. Leung, Janet C. Richards, Cynthia A. Lassonde, 2014-01-01

Literacy researchers and educators are currently involved in exciting international literacy projects However many in the field are not aware of these initiatives In compiling this edited volume our intent is to provide a resource book for university instructors and research faculty with examples of international literacy projects and what was learned from the projects Chapter contributors offer stories of real people who collaborate across nations to exchange ideas promote literacy development and increase global understandings The literacy initiatives presented in this book show how literacy colleagues have provided opportunities for students and educators of different countries to communicate in meaningful ways Through international literacy projects and research participants work to forge relationships based on mutual respect despite their differing cultures and languages They see their work as based on the mutual connectedness to the human community

Japan's Foreign Policy in the Twenty-First Century Purnendra Jain, Lam Peng Er, 2020-03-09 This edited collection analyzes the innovative changes in Japan's foreign policy Pursuing new relationships with South Asia Africa and Eastern Europe Japanese initiatives include regional peace building and human security activities Asian multilateralism and the Indo Pacific concept This collection focuses on these evolving international relationships through Japan's unique approach to political change and continuity The BRICS and the Future of Global Order Oliver Stuenkel, 2020-02-03 The transformation of the BRIC acronym from an investment term into a household name of international politics and into a semi institutionalized political outfit called BRICS with a capital S is one of the defining developments in international politics in the past decades While the concept is now commonly used in the general public debate and international media there has not yet been a comprehensive and scholarly analysis of the history of the BRICS term The BRICS and the Future of Global Order Second Edition offers a definitive reference history of the BRICS as a term and as an institution a chronological narrative and analytical account of the BRICS concept from its inception in 2001 to the political grouping it is today In addition it analyzes what the rise of powers like Brazil Russia India China and South Africa means for the future of global order Will the BRICS countries seek to establish a parallel system with its own distinctive set of rules institutions and currencies of power rejecting

key tenets of liberal internationalism are will they seek to embrace the rules and norms that define today s Western led order
