

My blanket

John was woken up by a horrible noise in the street outside his house. He opened the window and saw two men fighting.

When they saw him watching them, they ran to the corner of the house and continued to hit each other there. John ran down and opened his front door, but, as it was so cold that night, he wrapped himself in a blanket before he went out. John went closer to the two men who were still shouting and fighting. When they saw him, they stopped fighting and attacked him. They seized his blanket and ran away. John was too old to run after the two men, so he walked sadly to bed without his blanket. His wife said, "What were they fighting about?" He replied, "I think they were fighting about my blanket"

Burt, 2004 If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, The Chronology of American Literature is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past, from major publications to lesser-known gems, while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was Hemingway's breakout title? With more than 8,000 works by 5,000 authors, The Chronology makes it easy to find answers to these questions and more. Authors and their works are grouped within each year by category: fiction and nonfiction, poems, drama, literary criticism, and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, The Chronology offers an invaluable line through our literary past, tying literature to the American experience: war and peace, boom and bust, and reaction to social change. You'll find everything here, from Benjamin Franklin's *Experiments and Observations on Electricity* to Davy Crockett's first memoir, from Thoreau's *Civil Disobedience* to Edith Wharton's *Ethan Frome*, from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni
