Internal Revenue Service: Status of GAO Financial Audit and Related Financial Management Report

Recommendations Steven J. Sebastian, 2011-04 The IRS has a demanding responsibility to annually collect trillions of dollars in taxes process hundreds of millions of tax and information returns and enforce the nation's tax laws Since its first audit of IRS's financial statements in FY 1992 GAO has identified a number of weaknesses in IRS's financial management operations This report 1 provides an overview of the financial management challenges still facing IRS 2 provides the status of financial audit and financial management related recommendations and the actions needed to address them and 3 highlights the relationship between GAO's recommendations and internal control activities central to IRS's mission and goals Charts and tables This is a print on demand report

The Ultimate AndroidAQ Guide Rick Fluck, The Ultimate AndroidAQ Guide is an in depth look into the techniques of data acquisition and process control using the parallel processing micro controller on the AndroidAQ module It teaches you sensing and electronic drive circuits and how to implement these circuits in programming languages like Android LabVIEW Java and Python The book also shows you how to leverage and use the menu command structure used in the AndroidAQ open source firmware for the many data acquisition tasks that are used in robotic and product design Many examples are given to allow you to control your AndroidAQ module in ways other popular development modules can not via USB Bluetooth or Wi-Fi communication It is a guide to help you make your next project be part of the Internet of Things

Introduction to Policing Steven M. Cox, Susan Marchionna, Brian D. Fitch, 2015-12-31 Introduction to Policing Third Edition continues to focus on the thought provoking contemporary issues that underscore the challenging and rewarding world of policing Steven M Cox Susan Marchionna and experienced law enforcement officer Brian D Fitch balance theory research and practice to give students a comprehensive yet concise overview of both the foundations of policing and the expanded role of today's police officers The accessible and engaging writing style combined with stories from the field make policing concepts and practices easy for students to understand and analyze Unique coverage of policing in multicultural communities the impact of technology on policing and extensive coverage of policing strategies and procedures such as those that detail the use of force make this bestselling book a must have for policing courses

The Camera as Actor Amy Cox Hall, 2020-11-29 Looking beyond the impact photographs have on the perpetuation and expression of social norms and stereotypes and the influence of the act of taking a photograph this new collection brings together international scholars to examine the camera itself as an actor Bringing the camera back into view this volume furthers our understanding of how and in what ways imaging technology shapes us our lives and the representations out of which we fashion knowledge base our judgments and ultimately act Through a broad range of case studies the authors in this collection make the convincing claim that the camera is much more than a mechanical device brought to life by the photographer This book will be of interest to scholars in photography visual culture anthropology and the history of
