The consumer must first contact SICO Customer Service (800-223-8564, USA and Canada; 813-946-1882 outside of USA and Canada, or via e-mail at customerservice@honeywell.com) during the term of the Limited Warranty for authorization on the repair or replacement of the safe. WHAT IS NOT COVERED

SICO's responsibility and the consumer's rights are limited to the repair or replacement of the defective safe, as stated above.

This Warranty does not apply if the product has been damaged by improper installation, neglect, accidents, misuse, exposure to vibration of force or humidity, terrorism, war, acts of God or as a result of service or modification by other than an authorized service center. While your SICO safe is warranted to be free of mechanical defect during the term of Limited Warranty, the warranty does not apply to the finish of the safe.

SICO is not responsible for any costs associated with removing or installing this product.

SICO is not responsible for damage or loss of the contents of the safe nor for the unauthorized removal of contents.

SICO is not responsible for any damage incurred to the safe during shipment.

This Limited Warranty applies only to new SICO safes, purchased by the original owner, and is not transferable to second owners or "factory seconds" safes purchased by the consumer.

No implied Warranty of suitability or fitness, means other than those descriptions provided on the packaging, instructions and advertising. No other covenants or warranties, either implied or stated, written or oral, are hereby given. Some states do not allow limitations on how long an implied Warranty lasts, so the above limitations may not apply to you.

Honeywell FireSafe that include a Mounting Kit must be installed according to the instructions provided. Any permanent installation of the safe which penetrates the insulation material of a fire insulated product voids the Warranty.

This Warranty gives you specific rights and you may also have other rights which vary from state to state.

Honeywell and/or Protector® Fire Insulated Safes are tested by Underwriters' Laboratory or Japan Industrial Standards to protect against contents during a fire at varying degrees of temperature and varying lengths of time. For more information concerning the coverage for your particular safe, contact SICO Customer Service at 800-223-8564 (USA and Canada).
