Honor Patronage Kinship And Purity Unlocking New Testament Culture:

Honor, Patronage, Kinship, & Purity David A. deSilva, 2022-10-04 In this thoroughly revised and expanded edition of a milestone study a careful explanation of four essential cultural themes offers readers a window into how early Christians sustained commitment to distinctly Christian identity and practice and with it a new appreciation of the New Testament the gospel and Christian discipleship

A Reexamination of the Lordship of Jesus Christ: Patronage Dr. Frank Abissi Jr., 2017-06-05 Everyone wants a savior but not everyone wants a Lord This comment by a friend led author Frank Abissi to delve into the concept of Lordship in ancient times In this work he discusses the practice of patronage particularly in Ancient Rome Examined in detail are the accounts of Ruth and Boaz in the Old Testament and Onesimus and Philemon in the New Testament Finally the author discusses patronage as it relates to the believers relationship with Jesus Christ It is the authors hope that this work helps to deepen the personal relationship of the believer with the Lord and Savior Jesus Christ

About Face Christopher L. Flanders, 2011-03-07 For Thais face is a fact writes Flanders However whether in theology evangelism or issues involving sin salvation or atonement Thai Christians and missionaries alike seem either uninterested in or possibly incapable of addressing issues related to face This glaring incongruity between the value of face for Thais and the lack of intentional engagement within the Thai Christian community is deeply troubling Surely such a lack of careful attention to face is a dangerous posture Uncritical views of face furtively attaching to the theology of the Thai church are potentially detrimental for its life and mission Such seems to be an unavoidable situation without proper attention to face Additionally to ignore face is to run the risk of missing valuable cultural resources implicit in the Thai experience of face for the critical task of authentic Thai theological reflection This lack of engagement with face raises critical issues with which we must wrestle How is it that such a central sociocultural issue has not been a more significant part of the Thai Christian vocabulary or experience How pervasive are these negative attitudes regarding face What lies behind them Might this lack of self conscious engagement with face have any relationship to the persistent Thai perception of Christianity as a foreign Western religion How should Christians understand this notion of face and how it relates to the ways we understand and proclaim the gospel

The Letter to the Hebrews in Social-Scientific Perspective David A. deSilva, 2012-06-20 A lot of mystery surrounds the book of Hebrews especially regarding its authorship date and audience But by asking the right kind of questions one can move beyond the impasses typical of historical investigation In this volume David deSilva explores Hebrews through a social scientific lens asking one of the most important questions when interpreting letters and sermons What was going on in the community to occasion such a response DeSilva looks for clues concerning the anonymous author his education level the influence of the Greek environment and his perception of his own authority In addition by forming a social profile of the audience that includes location ethnicity and class status deSilva brings to light the author s aims of helping protect Christian converts from persecution and social shame This book not only helps the sermon to the Hebrews take on flesh and blood for

contemporary readers it also expands the readers tools for asking fresh questions and exploring new dimensions in biblical texts

Handbook of Biblical Social Values, Third Edition John J. Pilch, Bruce Malina, 2016-11-04 Values are culturally specific This handbook explains select biblical social values in their Mediterranean cultural contexts Some examples of values are altruism freedom family centeredness obedience parenting and power Though the English words for the values described here would be familiar to readers e g altruism the meanings of such words differ between cultures In the Mediterranean world for instance altruism is a duty incumbent upon anyone who has surplus It is interpersonal and group specific In the West especially in the United States altruism is impersonal and universally oriented generosity that operates in a highly organized context This handbook not only presents the Mediterranean meanings of these value words but also contrasts those meanings with Western ones

Matthew Samson L. Uytanlet, Kiem-Kiok Kwa, 2017-05-14 The Asia Bible Commentary series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible The Great Commission is yet to be fulfilled Asian churches like Matthew s original audience are encountering various challenges as they obey Jesus last command in the First Gospel The promise of the presence of God accompanies Jesus command and in Matthew s narrative God s presence is seen powerfully in Jesus life Believers today can hold to the same promise and this promise should be an encouragement to continue preaching God s kingdom

Urgency and Severity: Pauline Rationale for Expulsion in 1 Corinthians 5:1-13 David E. Bosworth, 2024-05-21 When Paul heard that a Christ follower in

Corinth was in an incestuous relationship with his stepmother the apostle insisted the man be removed immediately from the congregation This dramatic response is surprising as Paul responds to other serious situations with much less vehemence Why did Paul react to the immoral man with such urgency and severity Using socio cultural tools this study explains the importance of group identity and witness for Paul s ecclesiology The argument lays a foundation for contemporary readers to appraise contexts where an expulsive response to sin might be appropriate
