

Hoot Study Questions

Pre-reading strategies are often helpful as they help a student anticipate important information in what they will be reading. Prior to reading chapters, a student should look over the questions for that chapter. After their reading, they should try to answer the questions – if they cannot answer them, they should go back in the reading and look for them or re-read that chapter. These questions are not a class assignment and will not be turned in for credit.
