Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **The Family of Love in English Society, 1550-1630** Christopher W. Marsh, 1994 A history and analysis of a mysterious dissenting fellowship in early modern England Thomas More's Vocation Frank Mitjans, 2023-01-31 The book considers Thomas More's early life choices An early letter is cited by biographers but most miss More's reference to the market place More's great grandson Cresacre a Londoner understood it correctly and that gives reason to trust him on other aspects of More's youth This study is based on early testimonies those of Erasmus Roper Harpsfield Stapleton and Cresacre More as well as More's early writings the Pageant Verses and his additions omissions to the Life of Pico evidence drawn from authors he recommended like Hilton and Gerson and finally his epitaph Attention is given to his lectures on St Augustine's City of God and to St John Chrysostom It is argued More studied Chrysostom's Homilies on the Gospel of St Matthew i from a Greek manuscript Chrysostom in the introductory homily spoke of the city and the market place as the setting in which Christians practice the teaching of Christ More practiced law and taught it He was attracted to becoming a Christian humanist alongside Grocyn Colet Linacre and Lily With them he studied Greek the classics and Fathers of the Church Helped by them he became a man of prayer aware of the need to seek holiness in the midst of the world as a layman Faced with the dilemma of the humanist in choosing between the contemplative life of the philosopher and an active life of engagement with the world he deliberately chose the active life in service to society and the contemplative life of the Christian as a married man This awareness and choice is what is called vocation implying determination to persevere throughout life More saw his life as a pilgrimage towards heaven as described in the last chapter focusing on More's last work *De tristitia tedio pavore et oratione christi ante captionem eius* **Luther's The Church Held Captive in Babylon** Denis Janz, 2019-02-13 In August of 1520 Martin Luther published the first of three incendiary works Address to the German Nobility in which he urged secular authorities to take a strong hand in reforming the Roman church In October he published The Church Held Captive and by December the deepest theological rationale appeared in The Freedom of a Christian With these three books the relatively unknown Friar Martin exploded onto the Western European literary and religious scene These three works have been universally acknowledged as classics of the Reformation and of the Western religious tradition in general Though Reformation scholars have been reluctant to single out one as the most important of the three Denis Janz proposes a bold case for The Church Held Captive In the first entirely new translation in more than a century Janz presents Luther's text as it hasn't been read in English before Previous translations stifle the original text by dulling the sharpest edges of its argumentation and tame Luther by substituting euphemisms for his vulgarities In Janz's dual language edition we see the provocative offensive and extreme restored In his wide ranging introduction Janz offers much needed context to clarify the role of The Church Held Captive in Luther's life and the life of the Reformation This edition is

the most reader friendly scholarly version of Luther's classic in the English language

There are Tears in Things

(English Edition) Laksmi Pamuntjak, 2016-11-07 What a pleasure to see Laksmi Pamuntjak's poems and prose texts in one generous volume that bears witness to her versatility and dexterity in both those genres long before her name became internationally known for her splendid first novel. Her multivocal stories intertwine with the lush layered textures of art and music and her elliptical deft poems observe with a clear eye the cityscapes of our own restless lives whether in Jakarta or London New York or Berlin. Amer Hussein author of *Another Gulmohar Tree* *The Cloud Messenger* *Insomnia* It is clear from her beautiful poetry and prose that Laksmi Pamuntjak knows the human heart has many chambers who cares what doctors think and that love desire and longing is never so easy and simple as to occupy only one room in the hotel of our hearts. This staggering collection is both delicate and dangerous forceful and faultless. She draws back the curtains on the aching complexities of vulnerability all you have to do is enter. Sean M Whelan author of *Tattooing the Surface of the Moon* Laksmi Pamuntjak's poems start in the thinking mind intelligently constructed and seemingly softly spoken. But they roam wildly into everything that surrounds it both by way of the material the bodily the sensuous and along the transformative power of the imagination. Her verse brings these two distinct modes of being together as if they are not separate at all. In so doing her poetry is one where the personal the political and the mystical are one. As they should be. Joost Baars poet essayist former manager of *Perdu Poetry Theater* in Amsterdam Pamuntjak moves through cities and bodies and imprints and sends us these pages like postcards to cherish on one side poems and musings on the other vignettes and visuals. So we travel with her through her eyes seeing and savoring each experience renewed by every fresh taste or tableau. Sharanya Manivannan author of *The High Priestess Never Marries* Aesthetically intense and powerfully sensual the poetry is attuned meticulous deft and the reader is transfigured by a sea of silences. Books of the Year 2005 *The Herald UK* for *Ellipsis* hard not to get caught up in the poems sheer energy and celebration of language or as Pamuntjak writes a world of the word. *The Straits Times Singapore* for *Ellipsis* hard edged and heartfelt her translations of desire may be measured in pure delight. Christopher Merrill director of the International Writing Program University of Iowa and author of *Brilliant Water Poems* *Things of the Hidden God* *Only the Nails Remain* for *The Anagram*
