Narratives in Early Modern England Karen Bamford, Naomi J. Miller, 2016-05-06 Though recent scholarship has focused both on motherhood and on romance literature in early modern England, until now no full-length volume has addressed the notable intersections between the two topics. This collection contributes to the scholarly investigation of maternity in early modern England by scrutinizing romance narratives in various forms, considering motherhood not as it was actually lived but as it was figured in the fantasy world of romance by authors ranging from Edmund Spenser to Margaret Cavendish. Contributors explore the traditional association between romance and women both as readers of fiction and as tellers of old wives' tales, as well as the tendency of romance plots with their emphasis on the family and its reproduction to foreground matters of maternity. Collectively, the essays in this volume invite reflection on the uses to which Renaissance culture put maternal stereotypes: the virgin mother, the cruel step-dame, as well as the powerful fears and desires that mothers evoke, assuage, and sometimes express in the fantasy world of romance. *Crimson Dreams* Margaret L. Carter, 2017-05-26

His first human lover centuries in the past died horribly because of her devotion to him. Does he dare expose another mortal woman to that risk? **Hating Dating**

, 2008 **Writing an Icon** Anita Jarczok, 2017-02-15 Ana's Nin, the diarist, novelist, and provocateur, occupied a singular space in twentieth-century culture, not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America. Before Madonna and her many imitators, there was Nin. Yet until now there has been no major study of Nin as a celebrity figure. In *Writing an Icon*, Anita Jarczok reveals how Nin carefully crafted her literary and public personae, which she rewrote and restyled to suit her needs and desires. When the first volume of her

diary was published in 1966 Nin became a celebrity notorious beyond the artistic and literary circles in which she previously had operated Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin's guiding hand in their construction of her public persona The key to understanding Nin's celebrity in its shifting forms Jarczok contends is the Diary itself the principal vehicle through which her image has been mediated Combining the perspectives of narrative and cultural studies Jarczok traces the trajectory of Nin's celebrity the reception of her writings The result is an innovative investigation of the dynamic relationships of Nin's writing identity public image and consumer culture
