Taking Your iPad to the Max Erica Sadun, Michael Grothaus, Steve Sande, 2010-12-31 It looks different It acts different There s no right way to hold it It responds to the touch of your fingertips It s the Internet in your lap It connects to the world yet it is as personal as a well worn book Taking Your iPad to the Max is written so that anyone from a computer savvy teenager to a 92 year old great grandmother can quickly get up to speed on Apple s latest hit As bloggers at The Unofficial Apple Weblog tuaw.com we have the happy privilege of working with Apple products every day The iPad is so different from

any computer you've ever used and we realize many people could use a helping hand to feel comfortable buying and using an iPad. We take you from selecting and buying an iPad to connecting it to the Internet and then demonstrate just how to use the incredible power of the iPad and all its apps to enhance your life. Whether you're using your iPad to surf the Internet, admire family photos, listen to music, watch movies, or read a book, we're here to guide you. We show you how your iPad can be a virtual shopping mall opening the door to purchases of music, books, videos, and movies. We help you organize your daily life through the use of Calendar, Notes, and Contacts; communicate with friends and colleagues with Mail; and find your way with Maps. The iPad is more than the ultimate leisure device; it's also a work tool. Taking Your iPad to the Max guides you through the basics of Apple's iWork suite for iPad. Learn to create business or personal documents with Pages, make professional presentations with Keynote, and keep data and finances under control with Numbers.

iLife '09 Portable Genius Guy Hart-Davis, 2009-03-16 Mac users are passionate and loyal, and these books capture that same feeling in pedagogy and series style. Titles in the Portable Genius series are not comprehensive; instead, they aim to provide readers with the most accessible, useful information possible by giving readers tips and techniques for the most used features in a product or software. A handy, smaller trim size makes it easy for readers to carry with them essential information on the hottest tips and tricks for their Mac. They'll find essential information coupled with savvy advice on everything from simple tasks like getting started to intermediate information and hip tips that cover how to use all the applications in iLife. As many iLife users initially find iMovie, GarageBand, and iWeb somewhat daunting, this book offers fast-moving coverage of the essentials of these applications as well as more advanced features.

Just Tell Me How It Works Paul Lance, 2014-05

The Innovation Manual David Midgley, 2010-12-03 The Innovation Manual provides a solution to the problems faced by those at the forefront of innovation. It takes you through the seven topics that have the highest impact on the success of value innovation: be this innovation a new product, a new service, or a new business model. The seven topics are: Creating advantage in the minds of many; Chartering innovation within the organization; Preparing, developing, and supporting the right team; Placing customers at the centre of innovation; Changing the organization to deliver the innovation; Motivating the right partners and sharing the returns; Building momentum in the market. Each topic is linked to an organized toolkit that allows managers to apply this knowledge immediately. The tools sit within an overall framework to show how they build on and reinforce one another. Along with this, the book guides busy managers on applying the tools properly, detailing the relevance of each for specific industries and how to customize them when necessary.
