1

Remove tape and packing materials.

**Note:** Some of the pictures in this poster might not match your printer.

2

Press and lift up the control panel to the desired height.

3

Install the HP automatic two-sided printing accessory (duplexer).

4

Install the optional tray 2.

5

Connect the power cord and turn on the printer.

6

Follow the instructions on the printer control panel to finish setting up the printer, including:

- Setting the language and location
- Loading paper
- Installing the ink cartridges
- Installing the printer software

While the printer initializes, you might hear some sounds.

**Note:** Ink from the cartridges is used in the printing process in a number of different ways, including in the initialization process, which prepares the printer and cartridges for printing, and in printhead servicing, which keeps print nozzles clear and ink flowing smoothly. In addition, some residual ink is left in the cartridge after it is used. For more information see
