

Saladin

# HUMAN ANATOMY

The image features a central anatomical illustration of a human figure from the front, with arms slightly outstretched. The figure is rendered in a dark, almost black, semi-transparent style, revealing the internal organs and the circulatory system in a vibrant red. The heart is prominently visible in the chest area, with a network of arteries and veins branching out throughout the torso and limbs. The background is a complex, abstract composition of overlapping, translucent shapes in various shades of blue, teal, and purple, creating a sense of depth and movement. The overall aesthetic is modern and scientific.
