Tyson, 2020-01-28 This classic book tells the remarkable story of Robert F Williams 1925-1996 one of the most influential black activists of the generation that toppled Jim Crow and forever altered the arc of American history In the late 1950s Williams as president of the Monroe North Carolina branch of the NAACP and his followers used machine guns dynamite and Molotov cocktails to confront Klan terrorists Advocating armed self reliance Williams challenged not only white supremacists but also Martin Luther King Jr and the civil rights establishment Forced to flee during the 1960s to Cuba where he broadcast

Radio Free Dixie a program of black politics and music that could be heard as far away as Los Angeles and New York City and then to China Williams remained a controversial figure for the rest of his life Radio Free Dixie reveals that nonviolent civil rights protest and armed resistance movements grew out of the same soil confronted the same predicaments and reflected the same quest for African American freedom As Robert Williams s story demonstrates independent black political action black cultural pride and armed self reliance operated in the South in tension and in tandem with legal efforts and nonviolent protest The Public Louis Freeland Post,Mrs. Alice Thatcher Post,Stoughton Cooley,1919
