Selected Plays by Griselda Gambaro Griselda Gambaro, 2022-04-21 Griselda Gambaro is arguably one of Argentina's most important dramatists as well as a playwright of international significance whose poetics not only interpret Argentine reality but transcend cultural and geographical borders. Despite international recognition her plays remain little performed in the UK an absence which makes this anthology of new translations a welcome contribution to British theatre culture and to the English speaking stage. Prolific since the 1960s Gambaro's plays are radical subversive and endlessly inventive in the use of form and theatricality. This is a theatre of resistance which has the potential to make searing comments on our own domestic and political contexts an experience which may not be comfortable but is always vital. Dazzling original incisive and poetic this anthology shows Griselda Gambaro at the height of her creative powers. *Siamese Twins* 1967 In this charged and forceful play two brothers one weak one strong play out a primal scene of envy cruelty and torture as one exerts his power and aggression over the other. *Mother by Trade* 1999 In a stark process of truth and reconciliation a daughter meets her estranged mother forty years after she abandoned her as an infant. *As the Dream Dictates* 2002 How can we look to the future if there is great trauma in our past. In this play only the untethered thinking that comes with dreaming allows us the freedom to imagine. *Asking Too Much* 2004 In this enigmatic two hander the roles played by a man and a woman in the game of human attachment are renegotiated. *Persistence* 2007 Inspired by the real life event of the 2004 Beslan massacre in Russia *Persistence* is a poetic play which goes to the heart of human tragedy. *Dear Ibsen I Am Nora* 2013 Nora the character created by Henrik Ibsen in *A Doll's House* decides to confront her creator and to debate with him her own words and actions. *The Gift* 2015 *Mrgara* is a woman with the gift of prophecy but people do not believe her even though she predicts hope for the world. Will humanity be able to hear her. Popular Science Monthly, 1927
