

## My Ideal Spouse

Marriage is the most important and difficult thing in one's life, so we have to choose our life partner prudently. When I was a little girl, like many other girls, I had dreams of marrying a prince riding a white horse on the green pasture and seek for perfect guy. After I grew up, I realized that it is not likely to happen. As I think of my ideal spouse, many traits and qualities come to my mind. Of many qualities, I am going to give 3 most important things that I would look for my ideal spouse. First of all, my spouse should be naive.

Meaning of 'naive' is ranging over a broad gamut, but what I mean is not to smoke, drink, etc. Nowadays many people especially the students are polluted by hazardous things, such as smoking, drinking, watching AV..... However, I don't like smoking and drinking. Moreover, by smoking and drinking, people's health will be undermined and they will more likely to make a mistake. One of my neighbors was divorced. One day, the patriarch of that family had a drinking party at the bar and he had drunk a lot at there. He drank so much that he cannot control himself. One girl worked at the bar came to him and seduce him.

Unfortunately, he couldn't resist to the allurements and made a big mistake. As a result, they have divorce. Secondly, I would like to marry a man who is faithful. I want my spouse to make me trust him that he will love me forever. Trust between each other is an important thing, once a person back down on one's trust, it's almost impossible to regain it. To friends, trust means friendship; to husband and wife, trust means marriage; trust is kind of relationship. For example, one day, husband came back to home late than usual, so the wife asked him the reason. Then he answered that he had a meeting. The wife was relieved after she heard this.

However, the wife found the mark of lipstick on the shirts, smelled out fragrance of the women's perfume and found the name card of the barwoman in the pocket. She asked the husband again with those things, however, the husband was irrefutable. The trust between them was back down. They couldn't live happily after this incident. I have named several characteristics that I would like my spouse to have, but if there is one that is more important than the rest, the belief in Christianity. Religion is important for the one who believes it, so it's very important to have a same religion with the life partner.

Most of the Christian regard strong belief in Christianity as the most important element of choosing their spouse. I do QT(quiet time- get a message from god through reading a bible) almost every day. I have imagined sharing a message of god with husband every morning, just like my mother and father do every day. My mother roused my father from sleep at 6 o'clock in the morning and had a washing up. Then, they sat in the sofa and did QT together. They lived a happy life every day. All in due time, I'm not ready to get married yet, but I will find the man that is close to my ideal spouse and live happily in the future.

## **Ideal Spouse Paper Introduction**

In today's digital age, the availability of Ideal Spouse Paper books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ideal Spouse Paper books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ideal Spouse Paper books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ideal Spouse Paper versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ideal Spouse Paper books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ideal Spouse Paper books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ideal Spouse Paper books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ideal Spouse Paper books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ideal Spouse Paper books and manuals for download and embark on your journey of knowledge?
