**DIRECTIONS:** Identify the rhetorical device being used in each quote.

"Duty, Honor, Country: Those three hallowed words reverently dictate what you ought to be, what you can be, what you will be. They are your rallying points: to build courage when courage seems to fail; to regain faith when there seems to be little cause for faith; to create hope when hope becomes forlorn."

~ General Douglas MacArthur, Thayer Award Acceptance Address

"We are today in mourning, in grief that is so deeply painful for us. [Princess Diana] was a wonderful and a warm human being. Though her own life was often, sadly, touched by tragedy, she would reveal to all of us the depth of her compassion and her humanity. The people everywhere, not just here in Britain, everywhere -- they kept faith with Princess Diana. They liked her. They loved her. They regarded her as one of the people. She was the people's princess."

-- Tony Blair, Press Remarks on the Passing of Princess Diana

"In Torquemada's time, there was at least a system that could, to some extent, make righteousness and peace kiss each other. Now, they do not even bow."

-- G.K. Chesterton, Orthodoxy
