

Amazed by this creature, I could only stand and watch in awe. It slowly swayed up and down the street, full of lethargy ⁸ it dragged it's trunk across the ground. ⁹ A few metres in front of it was a young man, coaxing it with a tempting bag filled with food. We watched as they slowly walked away."

"Wow. And for my next question, what do you remember about your daughter's behaviour and reactions that night?"

"I remember she was completely in awe ¹⁰ of the magnificent beast, just like I was. She was extremely surprised at it. She was complaining the whole way as well." ¹¹

"And for my final question, what were your reasons for taking your granddaughter out that night and what do you think she gained from the experience?"

¹² "My reason for taking her out were simple, number one, to give her an appreciation of animals and their lives and also, number two, to give her hope and the courage to live on till the end of the war. I wish she will have gained the courage and ability to never give up and that is a very important message. I want to share." ¹³

"Amazing. Thank you for that and I appreciate your finding the time in coming here today."

"No problem and thank you for the brilliant show."

⁸ The candidate works out that the elephant seemed tired and lacking in energy (lethargic). This is an implicit idea – suggested by the way the animal is moving. Including implicit ideas as well as explicit ideas shows evidence of careful reading.

⁹ The candidate mentions the creature they saw, but could show they had read the whole text carefully by mentioning that grandfather had seen the elephant earlier at the train station.

¹⁰ The grandfather's feeling of awe at the elephant is mentioned – this is based on the suggestions in the text of the elephant's potential power and size. This development shows that the candidate is focused on the task and thinking about the events from the grandfather's point of view.

¹¹ The candidate offers a very short answer to the second question from the interviewer with just one clear idea – that Natalia was surprised to see the elephant. The candidate mentions her complaining which is not correct. She refused to go further, but followed him without complaining for most of their journey. This needed more careful explanation.

¹² The reason that it was Natalia's birthday is mentioned earlier in the answer. The candidate might suggest that this trip was also a present for her birthday. This idea is hinted at in the title of the text 'The Gift'.

¹³ The candidate offers two more relevant ideas – that the trip to see the elephant was to give Natalia hope, and that grandfather hoped that seeing the elephant would help her to appreciate the wonders of nature/ the natural world. The candidate explains that this was important as this was all happening during wartime, showing that the candidate has read the text carefully.
