Gulan, 2002-04-19 Think In Mark 12 24 Jesus said Are you not therefore deceived not being acquainted with the Scriptures nor yet the Power of God Be knowing the Scriptures are the Word the complete expression of God's Thought and contain the Power of God's Thought The Bible on the other hand is but the letter men's letters men's interpretations of the Scriptures and contain not the Power of God's Word but contain only the force of men's reasoning men's intellect One could say that the Bible is but the survey for the Scripture Digs The Great Journey in Pursuit of Jesus Way Truth Life is my personal daily journal during the years of 1998 and 1999 Everything I write is hand written so great care was taken in transcribing my written journal into this format By great care I mean transcribing word for word along with their misspellings and errors so that it would allow you the reader to travel with me every day In this journal I share what I took notice of and took notes on during my journey Some things I perceived during this journey gave me new questions to question as well as answers to questions that I have repeatedly asked myself over many years Travel with me through my 1998 1999 journal as we embark on this Great Journey in pursuit of Jesus Way Truth and Life Light for the Journey Carolyn E Benesh, 2023-10-10 Light for the Journey was written to encourage Christians everywhere to connect with Jesus and the living Word of God She wants the

reader to open the Word first and supplement with her daily devotions Light for the Journey is meant to be read slowly preferably in a quiet place with an open heart and Bible *The Journey* Col. Chuck Sanders, 2016-11-08 These short stories are about the journey called life There are Native American stories Asian stories Southern stories and a collection of others that teach life's lessons I have had an interesting journey thus far growing up in Louisville Kentucky and joining the Marines at seventeen I served three tours in Vietnam and was at the Mayaguez recapture of the ship and crew I currently live on the Big Island of Hawaii in Kurtistown I collected these stories that are viewed through the eyes of different cultures on my journeys throughout the world while in the Marines and as a civilian Many of the Native American stories were passed down from generation to generation by my mother an Iroquois Indian My father was multi cultural and as we would say in Hawaii a poi dog culture The Asia stories came from my travels in Asia while my Southern upbringing is the basis of other tales Some are meant to guide and direct our actions on our journey through life while others attempt to explain the meaning of life and the hereafter Journey Without End and other Poems Wosornu, Lade, 2016-06-13 The poems in this book are thematically grouped into five sets The first set of three poems labelled Libation are basically a prayer and they set the stage for what follows The poems in Part 2 subtitled On Wings of Song The Muse and I are mostly love poems which express sentiments with which many readers will be able to identify The subtitle of the poems in Part 3 is Home Affairs These poems describe the anxieties the hopes and the fears that many of us have experienced at various times in our lives These normal human experiences are expressed so vividly and with such poignancy that the reader is left feeling that the poet has indeed spoken for him Part 4 Embers and Rubies of Life contains the largest number of poems and they are mostly philosophical reflections on the meaning and significance of life's experiences The last set of poems in Part 5 Transformations contains the poem that gives the title to the book *Bacon's 'Excelsior' memory-map atlas and text-book combined* George Washington Bacon, 1901

The Inner Journey Osho,2023-03-12 I would like to talk about the first step for a meditator a seeker What is the first step A thinker or a lover follow certain paths but a seeker has to travel on a totally different journey For a seeker what is the first step on the journey The body is the first step for a seeker but no attention or thought has been given to it Not only at certain times but for thousands of years the body has been neglected The neglect is of two kinds Firstly there are the indulgent people who have neglected the body They have no experience of life other than eating drinking and wearing clothes They have neglected the body misused it foolishly wasted it they have ruined their instrument their veena If a musical instrument for example a veena is ruined music cannot arise out of it Music is an altogether different thing from the veena music is one thing the veena is another but without the veena music cannot arise

Journey through Exodus Mike Newberry,2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus

Journey With His Voice Becca Gunyon MCC,2023-07-28 This is the sequel to Journey to His Heart In each book the main character takes an adventure with Jesus by personalizing Scripture Self reflective questions are essential to this adventure If you are looking to grow deeper in your understanding of the love of God displayed in the life death resurrection and ascension of Jesus then you will enjoy this journey

Jesus their origins in Old Testament prophecies the genealogies the angelic announcements the journeys and arrivals and the aftermath of Jesus birth for the powerful and the poor alike Engaging seriously with biblical and historical criticism Paula Gooder uncovers key similarities running through the Gospel writers accounts and focuses on their shared understanding of the significant events they describe Her detailed exploration of the texts is a gold mine for preaching and teaching and will breathe new life into the familiar Christmas stories heard year after year in churches hymn sings and nativity plays Devotional reflections and discussion questions also make this ideal for personal and group study Rooted in the conviction that greater understanding of the Bible leads to deeper discipleship this is an essential resource for preachers teachers and study group leaders as well as those who simply wish to get to know the Bible better **Light for the Journey** Robert T. Gamba, 2008-12-23

2ND PETER 1 19 And so we have the prophetic word confirmed which you do well to take heed as a light that shines in a dark place There is a Light at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of all hope that is willing and able to take us home even through our darkness nights Two choices two roads with two different destinations but there is only one journey EPHESIANS 1 18 The eyes of your understanding being enlightened that you may know what is the hope of His calling **Knowing God through Journey and Pilgrimage** Seung Yeal Lee, 2011-04-01

The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching Journey through Loss Grief Journal
