Joy Inc Built Workplace People:

Joy, Inc. Richard Sheridan, 2013-12-26 The moment you walk into Menlo Innovations you can sense the atmosphere full of energy playfulness enthusiasm and maybe even joy As a package delivery person once remarked I don't know what you do but whatever it is I want to work here Every year thousands of visitors come from around the world to visit Menlo Innovations a small software company in Ann Arbor Michigan They make the trek not to learn about technology but to witness a radically different approach to company culture CEO and Chief Storyteller Rich Sheridan removed the fear and ambiguity that typically make a workplace miserable His own experience in the software industry taught him that for many work was marked by long hours and mismanaged projects with low quality results There had to be a better way With joy as the explicit goal Sheridan and his team changed everything about how the company was run They established a shared belief system that supports working in pairs and embraces making mistakes all while fostering dignity for the team The results blew away all expectations Menlo has won numerous growth awards and was named an Inc magazine audacious small company It has tripled its physical office three times and produced products that dominate markets for its clients Joy Inc offers an inside look at how Sheridan and Menlo created a joyful culture and shows how any organization can follow their methods for a more passionate team and sustainable profitable results Sheridan also shows how to run smarter meetings and build cultural training into your hiring process Joy Inc offers an inspirational blueprint for readers in any field who want a committed energizing atmosphere at work leading to sustainable business results

Joy, Inc. Richard Sheridan, 2015-01-27 A guidebook for how leaders can motivate engage and recognize their people all the while growing the business profitably Forbes.com Every year thousands of visitors come from around the world to visit Menlo Innovations a small software company in Ann Arbor Michigan They make the trek not to learn about technology but to witness a radically different approach to company culture CEO Rich Sheridan removed the fear and ambiguity that typically make a workplace miserable With joy as the explicit goal he and his team changed everything about how the company was run The results blew away all expectations Menlo has won numerous growth awards and was named an Inc magazine audacious small company Joy Inc offers an inside look at how Menlo created its culture and shows how any organization can follow their methods for a more passionate team and sustainable profitable results

The Excellence Dividend Tom Peters, 2018-04-03 Brilliantly simple actionable guidelines for success that any business leader can immediately implement Tom Peters new book is a bundle of beautiful dynamite While I've been a CEO for 30 years I still learned much worth knowing from The Excellence Dividend You will too John C Bogle founder Vanguard For decades Tom Peters has been preaching the gospel of putting people first and in today's rapidly changing business environment this message is more important than ever With his unparalleled expertise and inimitable charisma Peters provides a roadmap for you and your organization to thrive amidst the tech tsunami and he has a lot of fun doing it The Excellence Dividend is an important new book from one of today's greatest business thinkers Lead

Right for Your Company's Type William Schneider, 2017-07-20 Lead Right for Your Company's Type will help you find the best strategies for success for your unique business Every year businesses needlessly fail because they adapted the wrong strategies suited for their organization's strengths A mid tier retail chain is derailed by leadership demands for superior products instead of reliably low prices A software giant is brought to its knees by prioritizing profits over innovation A small arts college is destabilized by top down rules designed for a predictable and dependable company There is no one size fits all game plan for success when it comes to the wide array of businesses today Success starts with knowing the kind of business you're really in In Lead Right for Your Company's Type learn the four categories that every enterprise falls into depending on their customer promise customized e.g. ad agency predictable and dependable e.g. utility company benevolent e.g. educational institution and best in class e.g. high tech company like Apple Then follow a proven five step process to help you in diagnosing your organization's ills and stop them at their source Apply the wrong practices and the mismatch pulls the enterprise apart However when leadership practices fit the customer promise and company type the organization thrives

Storied Health and Illness Jill Yamasaki, Patricia Geist-Martin, Barbara F. Sharf, 2016-07-01 Health and illness are storied experiences that necessarily entail personal cultural and political complexities For all of us communicating about health and illness requires a continuous negotiation of these complexities and a delicate balance between what we learn about the biology of disease from providers and our own very personal subjective experiences of being ill Storied Health and Illness brings together dozens of noteworthy scholars both established and emerging in a provocative collection that embraces narrative ways of knowing to think about analyze and reconsider our own and others health beliefs behaviors and communication Comprehensive content reflects the editors substantial research in integrative health narrative care and innovative ways of improving well being and quality of life in personal relationships healthcare the workplace and community settings Unique narrative approaches to the study of health communication include 14 chapters written by 22 contributors who use engaging stories from their own research or personal experience to introduce and ground foundational communication concepts in healthcare health promotion community support organizational wellness and other health related sites of interest Compelling stories of individuals living with the inherent challenges and unexpected opportunities of mental illness addiction aging cancer dialysis sexual harassment miscarriage obesity alopecia breastfeeding health threats to immigrant workers developmental differences and youth gun violence 36 Health Communication in Action HCIA sidebars that highlight applied research of innovative health communication scholars in their own words and then prompt readers to think more deeply about their own perspectives and experiences Theorizing Practice boxes that encourage readers to reflect on stories that describe significant experiences in their own and others lives as they consider assumptions and enlarge their viewpoints in previously unimagined ways **Critical Librarianship** Samantha Schmehl Hines, David H.
