Judas The Last Days:

The Last Days of Judas Iscariot Stephen Adly Guirgis, 2006 THE STORY Set in a time bending darkly comic world between heaven and hell THE LAST DAYS OF JUDAS ISCARIOT reexamines the plight and fate of the New Testament s most infamous and unexplained sinner **Judas** W. Maxwell Prince, 2015 Two thousand years after he betrayed Messiah Judas Iscariot is still alive wandering a world he doesn t recognize A world where the strangest of fictions have come true monsters immortals gnome librarians who monitor human history they re all real And all Judas wants to do is kill himself So why can t he The most transcendent story of the year is here in this all new original graphic novel chronicling history s preeminent backstabber and his quest for suicide Amazon com **Judas: the Last Days** Mikey Neumann, 2016 *King of the Jews: A Story of Christ's Last Days on Earth* William Thomas Stead, 2020-09-28 Suddenly there was heard a noise of singing A great multitude came pouring down the narrow street that runs past Pilate s house chanting as they came Hail to thee O Son of David Little children old men and maidens ran forward some raising palm branches but all ever looking backward to one who should come More and ever more streamed down the street into the open space in front of the temple but still the Hosanna song went on At last in the midst of the jubilant throng Jesus appeared clad in a long garment of gray over which was cast a flowing robe His face was composed and pensive His long black hair and beard surrounded features somewhat swarthy from the rays of the hot sun and he rode on the side of the ass s colt that seemed almost too small to support his weight John the beloved disciple dressed in green raiment with a red mantle led the little ass carrying in his hand a long pilgrim staff The mob pressed tumultuously around singing and crying Hosanna to the Son of David Jesus blessed them as he rode through their midst After passing the house of Pilate he suddenly dismounted Then Jesus advanced to the front of the temple The hosannas died away as he contemplated the busy scene There were the priests busily engaged with the money changers Nathanael chief orator of the Sanhedrin stood conspicuous among the chattering throng There were baskets with pigeons for sale as sacrifices There were the tables of the dealers Buying and selling haggling and bargaining were in full swing in the market place For a moment Jesus who was above the average height and whose mien was dignified and commanding stood as if amazed and indignant then suddenly burst out upon the astonished throng of priests and merchants with the following protest What see I here Shall my Father s house be thus dishonored Is this the house of God or is it a market place How can the strangers who come from the land of the Gentiles to worship God perform their devotions in this tumult of usury And you he continued advancing a step toward the priests who stared at him in amazement You priests guardians of the temple can you see this abomination and permit it to continue Woe be unto you He who searches the heart knows why you encourage such disorder **The Suffering Saviour; Or, Meditations on the Last Days of Christ Upon Earth** Friedrich Wilhelm Krummacker, 1856 **60 Days That Shook the World** Roy G. Pittman, 2008 As the man and his followers arrived in the city the air was palpable with intrigue and danger along with a sense of expectation as to what would unfold in the coming days

Thus begins the story of 60 Days That Shook the World The Last Days of Jesus Christ by Roy G Pittman In the historical and chronological study of Jesus last week on Earth until the gift of Holy Spirit was given on Pentecost many traditional beliefs are challenged and questioned Did Jesus make one triumphal entry into Jerusalem or two Did Peter deny Jesus three times as traditionally believed or six Did Judas hang himself the day Jesus was crucified or was he still with the other Apostles after Jesus was resurrected How many times was Jesus actually buried All of those questions and many more are studied with answers from the Word of God provided to return serious students of the Bible back to the truth and accuracy of the Word The author has utilized the research and expertise of many Biblical scholars in his search for the truth a search he hopes others are willing to seriously undertake If you are desiring to be challenged and motivated to study the Word of God with a more critical and interpretive understanding then 60 Days That Shook the World is a must read **The Last Days of Jesus** Sophia Louisa Little,1889 *The Theatre of Rupert Goold* Sarah Grochala,2020-11-12 Since the late 1990s Rupert Goold has garnered a reputation as one of the UK s most exciting and provocative theatre directors His exhilarating risk taking productions of both classic texts and new plays have travelled from regional stages to the National Theatre the West End Broadway and beyond Through his artistic directorship of Northampton s Royal Macbeth Chichester Festival Theatre The Tempest Romeo and Juliet RSC Six Characters in Search of an Author ENRON Headlong Time and the Conways National Theatre Charles III and Ink Almeida The Theatre of Rupert Goold is an accessible and fascinating guide to Goold s approach to making theatre an approach that asks provocative questions of the modern world in the most theatrical ways imaginable

The English Life of Jesus Thomas Scott,1872 *The End... Prophetic Insights into the Last Days* Alison Brown,2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days *The Last Days of Jesus, and Other Poems* Sophia Louisa Little,1877 *The Non-Canonical Gospels* Paul Foster,2008-09-11 This book brings together a collection of chapter length treatments on the most significant of the non canonical gospels A particular strength of the volume is that it draws upon the research of leading experts in the field and clearly and concisely communicates the most hotly contested issues surrounding each text While a key function of each chapter is to make the current academic debates accessible to a wider audience these treatments are not simply overviews or survey articles They also present fresh perspectives on a number of points and critically assess the most recent trends in scholarship As such they will provide an ideal entry point for advanced undergraduate courses and taught Masters programmes The structure of the book is divided up in an easily useable format There is an introduction which underscores the significance of the non canonical texts both for the original readers and for contemporary audiences This chapter by Keith Elliott also traces important moments in the reception of a number of these texts both in art and literature Next follows the main sequence of chapters dealing with individual texts Texts such as the Gospel of Thomas the

Gospel of Peter and the Gospel of Mary are treated first due to the impact they have had to varying degrees on Historical Jesus research Other texts are grouped in various subgroups the two infancy gospels follow each other and the more fragmentary texts are also closely linked in the arrangement The book presents one of the most comprehensive and up to date discussions of a range of texts that continue to be of interest to scholars and wider readers The discussions should clarify a number of popular misconceptions and allow for a more informed debate The scholars who contribute to this collection represent an eclectic range of views and theological outlooks No attempt has been made to impose a prescribed perspective Rather the leading experts have been consulted to produce fresh and stimulating treatments The book will include contributions from Andrew Gregory Oxford Christopher Tuckett Cambridge April DeConick Rice and Simon Gathercole Aberdeen among others

Secret Tomb Omega Michael Raphael Thomas, 2021-04-11 The honeymoon with Jesus was very short lived though being differently viewed by his family for his religious beliefs his life soon became a living hell The resulting emotional torment led to involvement in Satanism as well as occultism and finally several suicide attempts There was also increasing drug use through the 1980 s But along the way he discovered some key stepping stones to an eventual escape from the false belief system the Book of Enoch the Kebra Nagast and a book in the Salem Library called Jesus Died in Kashmir This led him to seriously rethink religious beliefs that had strongly been held for over a decade leading to final liberation Life continues to be an ongoing adventure challenge but without the unnecessary baggage of a delusional belief system

Tales of High Priests and Taxes Sylvie Honigman, 2021-03-16 In the wake of the conquests of Alexander the Great the ancient world of the Bible the ancient Near East came under Greek rule and in the land of Israel time old traditions met Greek culture But with the accession of King Antiochos IV the soft power of culture was replaced with armed conflict and soon the Jews rebelled against their imperial masters as recorded in the Biblical books of the Maccabees Whereas most scholars have dismissed the biblical accounts of religious persecution and cultural clash Sylvie Honigman combines subtle literary analysis with deep historical insight to show how their testimony can be reconciled with modern historical analysis by conversing with the biblical authors so to speak in their own language to understand the ways they described their experiences Honigman contends that these stories are not mere fantasies but genuine attempts to cope with the massacre that followed the rebellion by giving it new meaning This reading also discloses fresh political and economic factors
