Playing By The Book S. Chris Shirley,2015-09-22 In Playing by the Book S Chris Shirley tells a story I loved curling up with featuring one of the most endearing teen protagonists I ve read in years Alex Sanchez author of The God Box and Boyfriends with Girlfriends When seventeen year old high school newspaper editor Jake Powell fresh from Alabama lands in New York City to attend Columbia University s prestigious summer journalism program it s a dream come true But his father a fundamentalist Christian minister smells trouble And his father is rarely wrong In Playing by the Book Jake navigates new and unfamiliar ways up North Starting with his feelings for a handsome Jewish classmate named Sam What Jake could keep hidden back home is now pushed to the surface in the Big Apple Standing by his side are a gorgeous brunette with a Park Avenue attitude and the designer bags to match a high school friend who has watched Jake grow up and isn t sure she s ready to let him go and an outrageously flamboyant aunt who s determined to help Jake finds the courage to accept love and avoid the pain that she has experienced Provocative and moving Playing by The Book is a feel good novel about the struggles and triumphs we

encounter in the search for our own truth There s so much to admire in Chris Shirley s debut novel but the most remarkable thing may be its voice Jake is both earnest and skeptical curious and guarded and he tells his story with an endearing humility that somehow avoids the sarcasm that has become the norm Playing by the Book reminds us of how rewarding it can be to climb into someone else s head Patrick Ryan author of Send Me and Saints of Augustine Draigkhiun P. Morrissey,2006-10 I looked out at the rising sun It formed a beautiful translucently violet horizon where the curve of Andowhan ended and space began I wondered if there might be something better beyond that horizon There must be some real meaning out there but I felt isolated and constrained from it Caleb Lonnergan is the youngest son of a family anxious to shield him from the civilization that has already claimed the life of his oldest brother Although his relatives are indulgent and well intentioned Caleb is often irritated by their sheltering and their efforts to keep him in the role of a traditionally dutiful Shondrean son Caleb s life changes dramatically when a letter arrives from his father s twin brother Malakai a letter which fulfills a drunken promise made during a long ago visit Malakai offers Caleb a job in a Colonial project scorned by most as a waste of resources the human re colonization of Terra Caleb impulsively accepts his uncle s offer having always been fascinated by tales of the dangerous ancient planet But lying within Caleb like a quiet dragon is a rare genetic anomaly And as he experiences first hand the dangers that seem to lie everywhere but the devastated birthplace of humanity he learns there is much more to his uncle s offer than he initially realized **Lifeblood** John Brandon,2018-06-26 Even mature Christians can have moments of spiritual apathy seasons when you just go through the motions and rely on your own strength to survive John Brandon s Lifeblood has the answer The power of the Holy Spirit inside you the lifeblood is the only way to bring about authentic spiritual growth In seven rich chapters John shares how tapping into the lifeblood will revitalize all aspects of your life If you want to transform how you view your Christian life and live radically for God this book is a must read **Diego Garcia** Natasha Soobramanien,Luke Williams,2022-06-21 Sad and funny and bitter and true a novel about grief discovering your own story and trying to listen for those stories that are not yours to tell August 2014 Two friends writers Damaris Caleemootoo and Oliver Pablo Herzberg arrive in Edinburgh from London the city that killed Daniel his brother her frenemy and loved by them both Every day is different but the same Trying to get to the library they get distracted by bickering will it rain or not and what should they do about their tanking bitcoin in the end failing to write or resist the sadness which follows them as they drift around the city On such a day they meet Diego a poet They learn that Diego s mother was from the Chagos Archipelago that she and her community were forced to leave their ancestral islands by soldiers in 1973 to make way for a military base They become obsessed with this notorious episode in British history and the continuing resistance of the Chagossian people and feel urged to write in solidarity But how to share a story that is not theirs to tell Sad funny and angry this collaborative fiction builds on the true fact of another a collaborative fiction created by the British and US governments to dispossess a people of their homeland Automotive Industries, the Automobile ,1927
