end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of

marital solutions in the book focus on God May God bless you as you read the it Shalom Indianapolis Monthly ,2003-04 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape *Stirring the Pot* Laura Sloan Patterson,2014-01-10 The term domesticity may bring to mind cooking cleaning and tranquil evenings at home During the last few decades however American domesticity has become ever more politicized as third wave feminists conservative critics and others debate the very meaning of home and family Despite this new wave of debate the home particularly the kitchen is comfortable territory for the consolidation of issues of gender space marketplace community and technology in twentieth century literature This work looks closely at a wide variety of southern domestic literature focusing particularly on the role of the family kitchen as a driving force in the narratives of Ellen Glasgow Eudora Welty Lee Smith and Toni Morrison Topics include the overtones of isolation and the almost claustrophobic third person narration of Glasgow s Virginia and Life and Gabriella the communal kitchen and its role in defining the sexual discourse of Welty s Delta Wedding the unification of national railway lines and its consequences for the traditional Appalachian kitchen in Smith s Oral History and Fair and Tender Ladies and the lasting effects of slavery on the haunted domesticity of the African American kitchen in Morrison s Jazz Paradise and Love **The Kingdom Agenda** Tony Evans,2013-07-26 God s kingdom isn t just about theology and church It isn t just a quaint religious idea or an obscure theological concept It is about a whole new way of seeing the world and your place in it Tony Evans legacy work The Kingdom Agenda offers a fresh and powerful vision that will help you think differently about your life your relationships and your walk with God When you start with a Kingdom agenda living in relationship with the true King and embracing your place in His Kingdom nothing will ever be the same In these pages we ll explore how under God this kingdom vision Helps you find greater purpose for your life Guides your family toward Him Deepens your understanding of God s use of the church Changes the way you think about politics culture and philosophy Join Dr Tony Evans one of the greatest Bible teachers of our time as he unfolds this biblical and practical approach to life an approach that has the power to change people families neighborhoods churches and even nations Discover the power of the Kingdom agenda *Hope Speaks* Traci Fiaretti,2023-08-01 Open your heart to hear God s voice God s mercy is new each morning and gives us a fresh opportunity to find rest and stillness in his presence Hope Speaks a 365 day devotional will stir your hunger to hear God s voice and experience a deeper more intimate relationship with him Written from the perspective of God each day includes an encouraging devotion a related Scripture and a heartening prayer Meditate on God s love as he rescues redeems and restores your heart breathing hope into each day *The Farmers' Cabinet, and American Herd-book* ,1843
