Love Lies And Deadly Sins:

Omni's Wordsmith Mantra John T Hope, 2021-10-01 *OMNI S Wordsmith Mantra* is a powerful thought provoking emotionally engaging and spiritually uplifting book which may even change your life The vivid poetic prose seeks to convey a spiritual understanding of love from the point of view of a single black man who isn't interested in getting married but wants to experience love The writer probes into the past to investigate how negative connotations from what people understood of themselves in past times can influence and even create religious dogma In the midst of an extensive and gripping spiritual analysis of the themes the book confronts the author aims to assess whether it is possible for God's Will to be done on earth as it is in heaven which is surely essential if humankind is to enjoy peace and love

The Passionate Gardener Des Kennedy, 2012-01-06 In this rollicking read Des Kennedy demonstrates his unerring skill with a satirical pitchfork The 13 short pieces here roam widely and wildly examining among other things common idiosyncrasies and the collective chaos of garden clubs The book hilariously ponders the host of psychopathologies that afflict plants people from weather phobias and general anxiety disorders to obsessive compulsive behavior such as the chronic moving of plants Whether discussing dysfunctional garden sprayers or malodorous urine collection schemes Kennedy finds both the magic and the madness in one of life's most popular passions

The Rose and Geryon Gabriella I. Baika, 2014 The Rose and Geryon examines patterns of verbal behavior in works by Jean de Meun and Dante with a focus on the Romance of the Rose and the Divine Comedy in relationship with the most influential systems of verbal sins in the Middle Ages systems elaborated by William Peraldus Thomas Aquinas Domenico Cavalca and Laurent of Orleans The book begins with a presentation of these four systems and from there proceeds to analyze Jean de Meun's Testament as a possible source of influence for the Divine Comedy and take a closer look at Dante's prose works in search for a comprehensive theory of sinful speech Furthermore Baika discusses verbal transgressions such as flattery evil counsel double talk sowing of discord and falsifying of words under the heading *Lingua dolosa* The Guileful Tongue and the relationship between violence and the poetic discourse The myriad ways in which the two iconic poets of medieval France and Italy absorb the tradition of peccata linguae in their works prove that abusive speech was not the exclusive sphere of interest of the ecclesiastical writers secular poetry in the vernacular enriched in original ways the medieval debate on verbal vices The Rose and Geryon addresses scholars and students of French and Italian literatures as well as readers interested in ethics and women's studies

Sin Ted F. Peters Martinez Hewlett, 1998-10-21 Sin Many Christians today have lost the ability to talk about it in personal terms For the last quarter century the theological establishment like society has consigned the human predicament to structures of political and economic oppression or to systemic evil such as race and gender discrimination In the process people have lost interest in the internal workings of the human soul attributing the evils of our world to social forces beyond the scope of personal responsibility **Light Upon Light** Andrew Vidich, 2008-07-08 Light Upon Light is a book to touch the heart and awaken the spirit It takes the lives of some of the great spiritual masters of the last millennium from Rumi to twentieth century saint Darshan Singh and illuminates their inner quests More than simply biography Light Upon Light delves into their perceptions of the world the innermost workings of their minds and the life incidents that led them to enlightenment In this sense Light Upon Light is not about the spiritual path it is designed to take the reader and carry them into the spiritual path and perceive the wisdom of the masters from within While author Andrew Vidich PhD has exemplary academic credentials he writes from the heart and calls the reader to a direct experience a felt sense of the core of these masters teachings He also emphasizes meditation as the universal constant taught by all masters and has provocative exercises in each chapter to stimulate self reflection contemplation and to give the reader experience of practical meditation techniques This is a book to be treasured by both long time spiritual students and those new to the great masters of the path

diverse background as a poet critic and essayist equipped him with a unique lens through which to analyze the themes of lunacy and the macabre This work reflects not only his personal preoccupations with despair and life s ephemeral nature but also the social anxieties surrounding mental health during the 19th century The Death Wake is a fascinating read for those who appreciate the intricate dance between literature and philosophy merging dark themes with profound existential queries Recommended for scholars and enthusiasts of Gothic literature the book invites a contemplative engagement with its rich themes ensuring a resonant experience for readers willing to traverse its eerie and evocative landscapes
