Ultimate Companion Bob Hunt,2011 This booklet has been compiled because of my interest in promoting road safety It started back in 1985 with Advanced Driving and then in 1991 I took the opportunity to train as a Driving Instructor I have since retired after teaching for some 12 years There have been many changes in driver tuition since I started One of them has been the introduction of the Theory Test Now it is necessary to pass the Theory Test before applying for the Practical Test This Theory Test is in two parts Firstly a Multiple Choice Question Paper then a Hazard Perception Video Exam Both together make up one Theory Test This booklet is to assist with the first part or multiple Many of my friends in the industry tell their clients to buy books containing the questions Only then if there s a problem are they invited to come back and ask any questions on what ever queries they came across Most times this works but not always So starting only as a hobby I analysed each and every theory question and wrote hundreds of notes These became very extensive so I then put them in some sort of order that non drivers could understand This hobby then turned into a project which I ve put into print It covers all the multiple choice questions in your exam Every piece of information in this booklet is what the Driving Standard Agency requires you to know not just what a Driving Instructor wants you too You now have it and it s all facts I m sure you will enjoy it
