## **Mayes Midwifery 15th Edition:**

Mayes' Midwifery E-Book Sue Macdonald, Gail Johnson, 2017-06-03 A new edition of a classic textbook fully updated to meet the needs of today's midwifery student. Now available for the first time in full color, the 15th edition of Mayes Midwifery has an enhanced artwork program and comes with an extensive website which provides 600 MCQs and wide selection of case studies and reflective activities. A downloadable image bank assists with essay and assignment preparation. New edition of a classic textbook updated and designed for today's midwifery student. Chapters authored by experts in their field including midwifery academics and clinicians as well as allied professionals such as researchers, physiotherapists, neonatal nurse specialists, social scientists and legal experts. Evidence and research based throughout to help facilitate safe clinical practice. Learning outcomes and key points help readers structure their study and recap on what they have learned. Reflective activities encourage the application of theory to practice. Contains practice based tools and checklists. Presents and discusses the latest national and international guidelines. Associated website with over 600 MCQs, reflective activities to encourage the application of theory to practice, case studies and additional learning tools. Downloadable image bank to assist readers with essay preparation and other assignments. Suitable for use in normal community and midwife led arenas, high tech environments and more rural areas of clinical practice. Brand new design incorporating helpful learning features aids reader engagement and retention of facts. Updated artwork program helps clarify complex physiological processes and other challenging concepts.

**Mayes' Midwifery - E-Book** Sue Macdonald, Gail Johnson, 2023-05-23 Mayes Midwifery is a core text for students in the UK, known and loved for its in-depth approach and its close alignment with curricula and practice in this country. The sixteenth edition has been fully updated by leading midwifery educators Sue Macdonald and Gail Johnson and input from several new expert contributors ensures this book remains at the cutting edge. The text covers all the main aspects of midwifery in detail, including the various stages of pregnancy, possible complexities around childbirth and psychological and social considerations related to women's health. It provides the most recent evidence along with detailed anatomy and physiology information and how these translate into practice. Packed full of case studies, reflective activities and images and accompanied by an ancillary website with 600 multiple choice questions and downloadable images. Mayes Midwifery makes learning easy for nursing students entering the profession as well as midwives returning to practice and qualified midwives working in different settings in the UK and overseas. Expert contributors include midwifery academics and clinicians, researchers, physiotherapists, neonatal nurse specialists, social scientists and legal experts. Learning outcomes and key points to support structured study. Reflective activities to apply theory to practice. Figures, tables and breakout boxes help navigation and revision. Associated online resources with over 600 MCQs, reflective activities, case studies, downloadable image bank to help with essay and assignment preparation. Further reading to deepen knowledge and understanding. New chapters addressing the issues around being a student midwife and entering the profession. More detail about FGM and its

legal implications as well as transgender binary individuals in pregnancy and childbirth New information on infection and control following from the COVID 19 pandemic Enhanced artwork program Mayes' Midwifery E-Book Sue Macdonald,2011-04-05 Mayes Midwifery an established key textbook for students and qualified midwives contains essential knowledge for professional practice For this 14th edition each section and chapter has been fully updated and enhanced by leading authors to ensure the text complies with contemporary practice and current guidelines Added benefits are the availability of a variety of additional online resources for each chapter including case studies video and website links and a bank of multiple choice questions to test knowledge With a strong emphasis on normal birth the book covers the spectrum of midwifery related topics applied to practice providing a foundation of knowledge and encouraging independent thought through the use of reflective exercises in each chapter and online The book provides midwives with material that meets individual ways of learning and supports current modes of midwifery education Mayes Midwifery is the text for initial preparation and for ongoing midwifery practice New chapters on essential contemporary issues Vulnerable women Perspectives on the future of midwifery in a global context Evidence based information to guide best practice Learning outcomes and Key Points in all chapters Reflective activities Now with an integrated website offering additional resources and material including Multiple choice questions for self testing Case studies Reflective activities to consolidate your professional development Useful additional reading resources and weblinks Expanded topics Downloadable materials including illustrations **Mayes' Midwifery** Sue MacDonald,Julia Magill-Cuerden,2012 Mayes Midwifery an established key textbook for students and qualified midwives contains essential knowledge for professional practice For this 14th edition each section and chapter has been fully updated and enhanced by leading authors to ensure the text complies with contemporary practice and current guidelines Added benefits are the availability of a variety of additional online resources for each chapter including case studies video and website links and a bank of multiple choice questions to test knowledge With a strong emphasis on normal birth the book covers the spectrum of midwifery related topics applied to practice providing a foundation of knowledge and encouraging independent thought through the use of reflective exercises in each chapter and online The book provides midwives with material that meets individual ways of learning and supports current modes of midwifery education Mayes Midwifery is the text for initial preparation and for ongoing midwifery practice New chapters on essential contemporary issues Vulnerable women Perspectives on the future of midwifery in a global context Evidence based information to guide best practice Learning outcomes and Key Points in all chapters Reflective activities Now with an integrated website offering additional resources and material including Multiple choice questions for self testing Case studies Reflective activities to consolidate your professional development Useful additional reading resources and weblinks Expanded topics Downloadable materials including illustrations *Midwifery Care For Pregnant Women Who Live With Obesity* Yvonne M.
