Reengaging History Paul Maurice Clogan, 2005 Since its founding in 1943 *Medievalia et Humanistica* has won worldwide recognition as the first scholarly publication in America to devote itself entirely to medieval and Renaissance studies Since 1970 a new series sponsored by the Modern Language Association of America and edited by an international board of distinguished scholars and critics has published interdisciplinary articles In yearly hardbound volumes the new series publishes significant scholarship criticism and reviews treating all facets of medieval and Renaissance culture history art literature music science law economics and philosophy Volume thirty one in the new series contains six original and refereed articles that represent a reengagement with history They focus on a variety of topics ranging from reception theory in Andreas Capellanus and the ideal sovereign in Christine de Pizan to peasant rebel leaders in late medieval and early modern Europe Don Monson's article makes good usage of Jauss's reception theory and analyzes the third Dialogue of Book I Chapter 6 of *De Amore* in a thorough and intelligent way Important aspects of the relationship between scientific Latin treatises and Provençal courtly poetry are neatly demonstrated Karen Gross examines structural and thematic resemblances between the *Aeneid* and *De Casibus* arguing that Anchises' pageant of future Roman worthies *Aen VI* is connected to the frame structure of *De casibus* The author is interested in global similarities not local verbal echoes and believes that the structure resonances have implications for how Boccaccio understood the interaction between history and poetry between the living and the dead Especially thought provoking and original are the discussion of the motif of father son piety and commemoration and the contrast of Virgil's fortuna in Roman history and Boccaccio's in world history Daisy Delogu's article on Christine de Pizan is a timely one and also represents reengagement with history

Ireland's Great Famine, Britain's Great Failure William H. A. Williams, 2022-02-08 This book provides readers with a unique in depth understanding of the background to the Irish Famine and a detailed account of the crisis as well as the immediate and long term results of the catastrophe In addition to exploring the ecological and agriculture factors this work shows how cultural economic and political influences shaped British attitudes and policies When the entire potato crop failed in the fall of 1846 what began as an ecological disaster quickly became a political one Hampered by long standing prejudice and Anglo Irish tensions the British government's various attempts to deal with the humanitarian crisis were muddled by competing economic and social goals Among these was the idea that the Famine represented an opportunity to purge Ireland of fragmented land holding and potato dependency by encouraging an English type market driven agriculture Changes did occur but the government's imperial dreams eventually ran up against Irish realities
