The Shape of Change Nicola Busby,2017-07-14 No organisations change initiative or stakeholder is ever the same The way business change management is shaped to work with and get the best out of every different change situation makes a vital contribution to the success of the change The Shape of Change is the first business change management book to focus solely on the practical challenges of how to plan implement and embed successful business change initiatives in a wide range of organisations from the business change manager s point of view It focuses on shaping every different change approach to take into consideration each individual situation including organisational culture the type and impact of change the initiative the attitudes and concerns of stakeholders and the potential for resistance within the organisation Using a series of example

change initiatives in private public and non profit sectors it describes the change management journey highlighting key points where business change management interventions are essential and exploring how it feels to undertake business change initiatives in a wide range of situations from communicating the initial change idea to ensuring the change is embedded and working well in business as usual Accessible and comprehensive The Shape of Change is relevant to anyone working in or planning organisational change

VITARA Reference Guide: Organization Inter-American Center of Tax Administrations, International Monetary Fund, Intra-European Organisation of Tax Administrations, OECD, 2024-08-29 This reference guide on Organization presents the critical features to be considered in designing the organizational arrangements for a tax administration It sets out the general principles and good practice of organizational design and describes common organizational structures adopted by tax administrations It is important to note that organizational design is more than changing the organizational chart it facilitates thinking on how where and when work across an organization is done This guide is divided into six chapters highlighting the framework for organizational design organizational models the role of headquarters field operations and specialized units as well as the impact of new tax administration responsibilities on organizational design It is part of a series of Virtual Training to Advance Revenue Administration VITARA reference guides that have been developed based on the content of the VITARA online modules

Handbook of Strategic Account Management Diana Woodburn, Kevin Wilson, 2014-03-17 A compilation of the established knowledge in strategic account management While companies and academics expend tremendous effort on mass marketing they often overlook their immediate customers which are critical in both senses and hence the importance of strategic account management SAM This handbook is a compilation of papers that present researched knowledge of SAM across the academic community which fills a void in the existing academic literature Handbook of Strategic Account Management identifies drivers of the SAM approach key issues and success factors operational needs and areas still awaiting exploration Each paper includes an overall referenced summary of the tenets of SAM relevant to the area it reports and together with the combined list of references it creates an indispensable resource for academic readers students and researchers Handbook of Strategic Account Management is written by over 40 knowledgeable experts with substantial experience of SAM from teaching researching writing and advising companies on why and how it works spread widely across Europe and the US It represents the balanced researched body of knowledge in SAM and will be an invaluable resource to anyone exploring the approach whether for a student thesis for original research or for answers on how to approach SAM as a company initiative Today s strategic key and global account management professionals owe thanks to a small community of academic researchers who over the past three decades have been pioneers in identifying cataloguing and analyzing the selling and business management practices of an emerging profession we now call strategic account management This Handbook is an important milestone to mark SAM s still evolving impact on corporate business strategies and its ever increasing relevance as a proven engine for growth in business

to business strategic customer relationships Bernard Quancard President CEO of SAMA US based Strategic Account Management Association with over 3 000 members worldwide Yana Atanasova Bjorn Ivens Toni Mikkola Ivan Snehota Audrey Bink Ove Jensen Stefanos Mouzas Kaj Storbacka Per Olof Brehmer Robert Krapfel Peter Naud Olavi Uusitalo Noel Capon Antonella La Rocca Jukka Ojasalo Tom Vanderbiesen Simon Croom Sylvie Lacoste Catherine Pardo Stefan Wengler Osman G k Nikala Lane Nigel Piercy Kevin Wilson Paolo Guenzi R gis Lemmens Michael Pusateri Diana Woodburn Stephan Henneburg Tommi Mahlam ki Jakob Rehme John Workman Sue Holt Malcolm McDonald Sanjiy Sengupta George Yip Christian Homburg Florin Mihoc Christoph Senn Judy Zolkiewski High Reliability Operations Babcock & Wilcox Technical Services Pantex,2008 Human Resource (Talent) Development Ronald R. Sims,2023-01-01 The rapidly transforming environment that we live in has made human resource development HRD all the more necessary for the success of today s organizations HRD initiatives help their organizations by developing employees who assist their organizations in not only surviving but thriving in our increasingly global world Today s best practice or benchmarked organizations and their HRD professionals continue to recognize the importance of employee learning knowledge skills and motivation to organizational success This recognition increasingly opens many doors as organizational leaders accept the fact that HRD initiatives can be used to ensure that organization members have what it takes to successfully meet the demands that confront them and their organizations This book takes the position that HRD can demonstrate how their initiatives help to develop a superior workforce so that the organization and its individual employees can accomplish their strategic and operational goals in service to their clients or customers This book is written with the belief that HRD professionals have many opportunities to learn change and find ways both in and outside of the workplace to contribute to the development of learning organizations as we move further into the 21st century A major point of this book is that HRD will continue to become more and more important to organizational success when one considers the increased responsibilities HRD professionals have taken on during and post the COVID pandemic The primary audience for this book is practicing HRM and HRD professionals and other organizational leaders The book provides proven ideas important to demonstrating the value of HRD From a practical viewpoint it is based on actual experience a strong research base and accepted practices presented in an easy to read form A second target audience is students of HRD and HRM who are preparing for careers in this important field This book will help them develop a solid foundation to the study of HRD practices or initiatives that are key to HRD success regardless of the type of organization A third target audience is managers or leaders at all levels of an organization who are expected to take on a number of HRD responsibilities e g as trainers coaches mentors change agents and so on while regularly partnering with HRD professionals It offers these individuals a firsthand look at what they should expect of their HRD functions or areas and how they can effectively work with HRD professionals in their organizations to achieve the organizations strategic goals by getting the most out of its human people **Sustainable Enterprise Resource Planning (S-ERP) for Industry 4.0**

Kushal Anjaria,2025-10-02 This book delves into integrating sustainable practices within enterprise resource planning S ERP systems framework particularly in the context of Industry 4 0 It offers a comprehensive exploration of how S ERP systems can be developed and implemented to enhance operational efficiency and promote environmental and social sustainability which is achieved by incorporating cutting edge technologies such as the internet of things IoT artificial intelligence AI and cloud computing which are instrumental in Industry 4 0 Targeted primarily at professionals and academics in business management information technology and sustainability the book will be a crucial resource for those seeking to understand and implement S ERP solutions It is particularly beneficial for MBA students business strategists ERP consultants and IT professionals involved in planning developing and managing ERP systems Key topics include the principles of sustainable business practices the role of digital technologies in enhancing ERP systems and the challenges and opportunities presented by Industry 4 0 The book also provides practical insights into implementing S ERP systems offering case studies and real world examples to illustrate key concepts It is thus not just an academic treatise but a practical guide that addresses the need for a new ERP approach in the digital transformation age It seeks to equip its readers with the knowledge and tools required to successfully navigate the complexities of modern business environments emphasising the importance of sustainability in achieving long term success In summary this book is a vital addition to the literature on ERP systems offering a fresh perspective on how businesses can evolve to meet the demands of the 21st century while maintaining a commitment to sustainability
