Julien Mercille, Enda Murphy, 2015-07-07 From bank bailouts to austerity Europe's and Ireland's response to the economic crisis has been engineered specifically to shift the burden of paying for the crisis onto ordinary citizens while investors financiers bankers and the privileged are protected The authors expose the class based nature of Ireland's crisis resolution

**Economic Aspects of Genocides, Other Mass Atrocities, and Their Prevention** Charles H. Anderton, Jurgen Brauer, 2016-05-09 Alongside other types of mass atrocities genocide has received extensive scholarly policy and practitioner attention Missing however is the contribution of economists to better understand and prevent such crimes This edited collection by 41 accomplished scholars examines economic aspects of genocides other mass atrocities and their prevention Chapters include numerous case studies e.g. California's Yana people Australia's Aborigines peoples Stalin's killing of Ukrainians Belarus the Holocaust Rwanda DR Congo Indonesia Pakistan Colombia Mexico's drug wars and the targeting of suspects during the Vietnam war probing literature reviews and completely novel work based on extraordinary country specific datasets Also included are chapters on the demographic gendered and economic class nature of genocide Replete with research and policy relevant findings new insights are derived from behavioral economics law and economics political

economy macroeconomic modeling microeconomics development economics industrial organization identity economics and other fields Analytical approaches include constrained optimization theory game theory and sophisticated statistical work in data mining econometrics and forecasting A foremost finding of the book concerns atrocity architects purposeful strategic use of violence often manipulating nonrational proclivities among ordinary people to sway their participation in mass murder Relatively understudied in the literature the book also analyzes the options of victims before during and after mass violence Further the book shows how well intended prevention efforts can backfire and increase violence how wrong post genocide design can entrench vested interests to reinforce exclusion of vulnerable peoples and how businesses can become complicit in genocide In addition to the necessity of healthy opportunities in employment education and key sectors in prevention work the book shows why new genocide prevention laws and institutions must be based on reformulated incentives that consider insights from law and economics behavioral economics and collective action economics      **Protection of Geographic**

Fricker, Carlos Colon, 2015-12-24 The Drone Debate offers a thorough investigation of the where why how and when of the U S s use of UAVs Beginning with a historical overview of the use of drones in warfare it then addresses whether targeted killing operations are strategically wise whether they are permissible under international law and the related ethical issues It also looks at the political factors behind the use of drones including domestic and global attitudes toward their use and potential issues of proliferation and escalation Finally the use of drones by other countries such as Israel and China is examined Each chapter features a case study that highlights particular incidents and patterns of operation in specific regions including Yemen

Somalia Pakistan and Libya and strike types signature strikes personality strikes etc **Red, White, and Black** Robert L. Woodson, Sr.,2021-05-11 In the rush to redefine the place of black Americans in contemporary society many radical activists and academics have mounted a campaign to destroy traditional American history and replace it with a politicized version that few would recognize According to the new radical orthodoxy the United States was founded as a racist nation and everything that has happened throughout our history must be viewed through the lens of the systemic oppression of black people Rejecting this false narrative a collection of the most prominent and respected black scholars and thinkers has come together to correct the record and tell the true story of black Americans in all its complexity diversity of experience and poignancy Collectively they paint a vivid picture of black people living the grand American experience however bumpy the road may be along the way But rather than a people apart blacks are woven into the united whole that makes this nation unique in history Featuring Essays by John Sibley Butler Jason D Hill Coleman Cruz Hughes John McWhorter Clarence Page Wilfred Reilly Shelby Steele Carol M Swain Dean Nelson Charles Love Rev Corey Brook Stephen L Harris Harold A Black Stephanie Deutsch Yaya J Fanusie Ian Rowe John Wood Jr Joshua Mitchell Robert Cherry Rev DeForest Black Soaries Jr Law and Regulation of Mobile Payment Systems Joy Malala,2017-11-28 Over the last ten years mobile payment systems have revolutionised banking in some countries in Africa In Kenya the introduction of M Pesa a new financial services model has transformed the banking and financial services industry Giving the unbanked majority access to the financial services market it has attracted over 18 million subscribers which is remarkable given that fewer than 4 million people in Kenya have bank accounts This book addresses the legal and regulatory issues arising out of the introduction of M Pesa in Kenya and its drive towards financial inclusion It considers the interaction between regulation and technological innovation with a particular focus on the regulatory tools institutional arrangements and government decisional processes through the examination as a whole of its regulatory capacity This is done with a view to understanding the regulatory capacity of Kenya in addressing the vulnerabilities presented by technological innovation in the financial industry for consumers after financial inclusion It also examines the way that mobile payments have been regulated by criticising the piecemeal approach that the Central Bank of Kenya has taken in addressing the legal and regulatory issues presented by mobile payments The book argues there are significant gaps in the regulatory regime of mobile banking in Kenya **African Economic Outlook 2015 Regional Development and Spatial Inclusion** African Development Bank,OECD,United Nations Development Programme,2015-05-25 The African Economic Outlook 2015 analyses Africa s growing role in the world economy and predicts the continent s two year prospects in crucial areas macroeconomics financing trade policies and regional integration human development and governance
