The Refugee in International Law Guy S. Goodwin-Gill, Jane McAdam, 2021-09-09 The status of the refugee in international law and of everyone entitled to protection has ever been precarious not least in times of heightened and heated debate people have always moved in search of safety and they always will In this completely revised and updated edition the authors cast new light on the refugee definition the meaning of persecution including with regard to gender and sexual orientation and the protection due to refugees and those affected by statelessness or disasters They review the fundamental principle of non refoulement as a restraint on the conduct of States even as States themselves seek new ways to prevent the arrival of those in search of refuge Related principles of protection non discrimination due process rescue at sea and solutions are analysed in light of the actual practice of States UNHCR and treaty monitoring bodies The authors closely examine relevant international standards and the role of UNHCR States and civil society in providing protection contributing to the development of international refugee law and promoting solutions New chapters focus on the evolving rules on nationality statelessness and displacement due to disasters and climate change This expanded edition factors in the challenges posed by the movement of people across land and sea in search of refuge and their interception reception and later treatment The overall aim remains the same as in previous editions to provide a sound basis for protection in international law taking full account of State and community interests and recognizing the need to bridge gaps in the regime which now has 100 years of law and practice behind it *Yale Law Journal: Volume 125, Number 2 - November 2015* Yale Law Journal, 2015-11-30 The contents of the November 2015 issue of the Yale Law Journal Volume 125 Number 2 include Articles The Un Territoriality of Data by Jennifer Daskal Political Entrenchment and Public Law by Daryl Levinson Benjamin I Sachs Review 18 Years On A Re Review by Richard A Posner Note Financing the Class Strengthening the Class Action Through Third Party Investment by Tyler W Hill Comment Law Enforcement and Data Privacy A Forward Looking Approach by Reema Shah Quality ebook formatting includes fully linked footnotes and an active Table of Contents including linked Contents for individual Articles and Notes proper Bluebook formatting and active URLs in footnotes This is the second issue of Volume 125 academic year 2015 2016 **Nigeria and the Nation-State** John Campbell, 2024-08-13 Nigeria despite being the African country of greatest strategic importance to the U S remains poorly understood John Campbell explains why Nigeria is so important to understand in a world of jihadi extremism corruption oil conflict and communal violence The revised edition provides updates through the recent presidential election *The End of Public Schools* David W. Hursh, 2015-10-16 The End of Public Schools analyzes the effect of foundations corporations and non governmental organizations on the rise of neoliberal principles in public education By first contextualizing the privatization of education within the context of a larger educational crisis and with particular emphasis on the Gates Foundation and influential state and national politicians it describes how specific policies that limit public control are advanced across all levels Informed by a

thorough understanding of issues such as standardized testing teacher tenure and charter schools David Hursh provides a political and pedagogical critique of the current school reform movement as well details about the increasing resistance efforts on the part of parents teachers and the general public [Eavesdropping on the Emperor](#) Peter Kornicki,2021-12-01

The forgotten history of Britain s least likely war heroes men and women with a talent for languages who cracked Japanese codes and interrogated Hirohito s soldiers **The Scandalous Presidency of Barack Obama** Matt Margolis,2018-04-03 I m proud of the fact that we re probably the first administration in modern history that hasn t had a major scandal in the White House So President Barack Obama boldly declared before leaving office and numerous times since But is it true Not according to Matt Margolis bestselling co author of *The Worst President in History* *The Legacy of Barack Obama* Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored downplayed or covered up by the mainstream media From Fast and Furious to the illegal IRS targeting of conservative groups to the recent NSA spying outrage Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics it s critically important that Americans understand the truth Barack Obama brought to Washington corrupt Chicago machine politics of cronyism and corporate payoffs combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents Obama s legacy will be discussed and debated for decades But in the early months after he left office more scandals have been uncovered most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian backed terrorists Far from being a virtuous New Camelot the Obama administration abused its power like few others **Scramjet Propulsion** Dora Musielak,2022-11-16
