Dubash, 2018-08-22 Electricity is critical to enabling India s economic growth and providing a better future for its citizens In spite of several decades of reform the Indian electricity sector is unable to provide high quality and affordable electricity for all and grapples with the challenge of poor financial and operational performance To understand why Mapping Power provides the most comprehensive analysis of the political economy of electricity in India s states With chapters on fifteen states by scholars of state politics and electricity this volume maps the political and economic forces that constrain and shape decisions in electricity distribution Contrary to conventional wisdom it concludes that attempts to depoliticize the sector are misplaced and could worsen outcomes Instead it suggests that a historically grounded political economy analysis helps understand the past and devise reforms to simultaneously improve sectoral outcomes and generate political rewards These arguments have implications for the challenges facing India s electricity future including providing electricity to all implementing government reform schemes and successfully managing the rise of renewable energy Budget of the United States Government United States. Office of Management and Budget, 2014 *The Budget of the United States Government* United States. Office of Management and Budget, 2015 Appendix, Budget of the United States Government, Fy 2015 Executive Office Of The President, Office of Office of Management and Budget (U.S.), 2014-04-15 Presents detailed information on individual programs and appropriation accounts that constitute the budget Includes for each Government department and agency the text of proposed appropriations language budget schedules for each account new legislative proposals and explanations of the work to be performed and the funds needed and proposed general provisions applicable to the appropriations of entire agencies or groups of agencies *Presidential Leadership and National Security* Richard S. Conley, 2017-10-31 This book assesses the foreign policy legacy of the Obama administration through the lens of national security and leadership Timely accessible chapters authored by leading scholars of presidential and international politics cover White House Cabinet relations Congress and War Powers challenges including the Iran nuclear deal ISIS and the closing of Guantanamo Bay drone strikes the New Cold War with Russia and the ways in which the Obama foreign policy legacy shaped the 2016 presidential election In particular the book explores the philosophical basis of counter terrorism strategy in the Obama administration and traces how precepts differed from the administration of George W Bush More

generally the book contributes to an understanding of the distinctive interplay between the formal constitutional powers of the president and the use of informal executive powers in the quest for peace and security Finally the book surveys the challenges that Donald J Trump faces in the transition to the new presidential administration Colorado School Laws Colorado,2011 *Bulletin of the Atomic Scientists* ,1995-09 **World Wildlife Crime Report** United Nations Publications,2016 The trafficking of wildlife is increasingly recognized as both a specialized area of organized crime and a significant threat to many plant and animal species The World Wildlife Crime Report 2016 takes stock of the present wildlife crime situation with a focus on illicit trafficking of specific protected species of wild fauna and flora and provides a broad assessment of the nature and extent of the problem at the global level It includes a quantitative market assessment and a series of in depth illicit trade case studies
