**The Codes of the Constitution** Andrew Blick, 2016-09-22 This book describes an astounding feat of constitutional writing and publication For a number of decades officials working across different branches of the United Kingdom UK constitution have been engaged in a series of separate projects Taken in their totality they amount to a vast enterprise Yet until now no one has fully recognised or critically analysed what has taken place There has been a proliferation in the UK of publicly available codes normally lacking a basis in statute providing official accounts of a variety of different features of UK constitutional rules and principles They cover institutions ranging from the Cabinet to the Civil Service to the judiciary and relationships between entities such as central government and the devolved executives and between the UK executive and the Westminster Parliament Among them are prominent texts such as the Ministerial Code the Cabinet Manual the Guide to Judicial Conduct and the devolution Memorandum of Understanding as well as more obscure documents that nonetheless contain important stipulations regarding the operation of the system Similar developments have taken place in countries including Australia Canada and New Zealand The author explores the history of this phenomenon in the UK how it functions today here and elsewhere in the Commonwealth and its implications for the UK constitution

**The Disciples at the Lord's Table** Gerard Moore, 2015-06-22 The Disciples at Table The Christian Church Disciples of Christ is about to enter its third century of worship evangelism and Christian worship This book is a snapshot of their Table practice its origins forms prayers and ecumenical development Single minded pioneers and advocates of Eucharistic Table fellowship each Sunday the Disciples forged a unique experience of worship within the restorationist paradigm What did this worship look like A free tradition explicitly non liturgical these Christian communities were open to the directives of the Scriptures and the inspiration of the Spirit There were no official texts Yet there was a plethora of worship books and aids in effect unofficial texts operating to guide inform and develop the Disciples understanding of the Lord's Table and their worship For the first time these devotional books have been uncovered and studied revealing something of the deeper influences behind Disciples practice the common lines of thought and ritual that unknowingly bind the communities and the difficulties that have emerged in light of ongoing ecumenical worship and research

*HC 351 - Role and Powers of the Prime Minister* Great Britain: Parliament: House of Commons: Political and Constitutional Reform Committee, Great Britain. Parliament. House of Commons. Committee of Public Accounts, 2014-06-24 Many of the Prime Minister's powers are obscure prerogative powers which are not well understood or defined More of these prerogative powers should be codified in statute to make them more transparent and increase accountability to Parliament Government should also consider consolidating the existing Prime Ministerial powers in one place the way the role has evolved means there is no single and authoritative source of information on the powers There is widespread agreement that the Prime Minister's role has increased in recent decades including in policy making Coalition government has to some

extent constrained the powers of the Prime Minister but this might not persist under single party government The need for support by a majority of Members of Parliament and the Cabinet acts as a check and balance on the Prime Minister However these political mechanisms are not effective on a day to day basis The Liaison Committee has the potential to be a very effective mechanism for Parliament to hold the Prime Minister to account and should continue to improve the way it works The Government should consider a role for Parliament in the investiture of the Prime Minister or the Government after a general election Some consider that accountability of the Prime Minister would be strengthened by direct election by the public US style The Government could also consider the creation of a combined Department for the Prime Minister and the Cabinet with a departmental Select Committee specifically to scrutinise that Department Rest in Pieces Barry Du Bruyn, 2007-12-01 In this book the process of death dying and bereavement is discussed in full Topics related to death such as suicide accidents natural death the undead different funeral formats and the aftermath is also explored in designated chapters What sets this book apart from others on the topic is the inclusion of MINISTRY TO THE UNDEAD *Hack Your Bureaucracy* Marina Nitze, Nick Sinai, 2022-09-13 In this deeply empowering and practical book Cecilia Muñoz two technology and innovation leaders reveal dozens of tactics that enabled them to accomplish seemingly impossible reforms in organizations of all types and sizes Whether you just started your first entry level job run the entire company or just feel trapped by your condo association bylaws it's time to learn how to get big things done and make a lasting impact with *Hack Your Bureaucracy* From local government to the White House Harvard to the world of venture capital Marina Nitze and Nick Sinai have taken on some of the world's most challenging bureaucracies and won Now they bring their years of experience to you teaching you strategies anyone can use to improve your organization through their own stories and those of fellow bureaucracy hackers including Find Your Paperclip use small steps to achieve big change Set Your North Star keep your end goal in sight Cultivate the Karass assemble an adept team and network Don't Waste a Crisis turn every opportunity into a chance for change And more Change doesn't happen just because the person in charge declares it should even if that person is the CEO of your company or the President of the United States Regardless of your industry role or team *Hack Your Bureaucracy* shows how to get started take initiative on your own and transform your ideas into impact
