23c. The Missouri Compromise

Most white Americans agreed that western expansion was crucial to the health of the nation. But what should be done about slavery in the West?

The contradictions inherent in the expansion of white male voting rights can also be seen in problems raised by western migration. The new western states were at the forefront of more inclusive voting rights for white men, but their development simultaneously devastated the rights of Native American communities. Native American rights rarely became a controversial public issue. This was not the case for slavery, however, as northern and southern whites differed sharply about its proper role in the west.

The incorporation of new **WESTERN TERRITORIES** into the United States made slavery an explicit concern of national politics. Balancing the interests of slave and free states had played a role from the very start of designing the federal government at the Constitutional Convention in 1787. The crucial

Henry Clay was first elected to the Senate in 1807, before his 30th birthday. This was against the rules set up in the Constitution that stipulated 30 as the youngest age for a Senator.

The African Methodist Episcopal Church

The site is an introduction to the African Methodist Episcopal Church, established in 1816 to protest racial segregation in the church. Denmark Vesey, leader of a slave rebellion in 1822, was a lay minister in the A.M.E. church. Be sure to read about the "Four Horsemen," the founders of the modern church, in the section entitled "Our History."
