day Italy The importance of what he unearths could rewrite all of history as we know it While his story begins another one unfolds that connects the present with the ancient past It is a period of great darkness for the Roman Empire The year is circa 180 A D and the Empire is in civil unrest One man rises amidst the chaos and secures the throne He instills the hope of peace with his rise to power For many years his wife remains in seclusion with no apparent heir in sight Then without warning she comes out of hiding and reveals a son This is the story of Marek Septimus and how he grew from a boy surrounded by the seductions of an Empire to a man bound by duty Along the way he learns what it means to live to love and to sacrifice It is the tale about the Prince of an Empire and how his choices ultimately affect the entire world It is a book of promise power and passion It reveals the very legacy of an Empire This book is a work of historical fiction It takes elements of true history and envelopes them with extreme circumstances There are some echoes of fantasy within its pages but ultimately it is a story of love betrayal and forgiveness This is the first book in a series that Aaron James Holland is currently working on

Sunstar Francisco Rondon,2013-07-09 F R A N C I S C O R O N D O N lives in upstate New York He has three daughters Born in Puerto Rico he came to the United States at a young age and has lived here since His inspiration for writing comes from his daughters [Darker Matter - Book 1 Dakor's Darkness](#) J N Lowther,2019-09-30 Bradley White is an ordinary man who is transported against his will to a land incalculably distant where magic has shaped its growth and development and where science has no place He is forced by a ruthless being of unimaginable might to undertake an impossible task one in which he will surely fail The stakes couldn't be higher if he does fail then all that he holds dear will be destroyed Should he succeed he is certain that his family will not be spared He cannot hope to take on and defeat his adversary but if he cannot find a way then all is lost His journey through this strange world is also a journey of self discovery as he battles against despair and helplessness in his desperate attempt to find a way to save his family

Daughters of Seth L.K. Machacek,2013-07 Evoking a spirit similar to such classics as Tolkien's The Hobbit C S Lewis The Lion the Witch and the Wardrobe and George R R Martin's Game of Thrones Daughters of Seth is a lyrical intimate multi layered story in the fantasy genre that begs to be the foundation of an epic ongoing series However to merely compare Daughters of Seth to the works of others would not be adequate to speak to the distinctive voice that marks the style of L K Machacek This is an earthy elemental deep visceral story that courageously confidently and skillfully explores the boundaries of magic myth desire loyalty and destiny It authentically depicts the rich and timeless tapestry of the bonds and love between family as well as those who are knit at the heart through friendship and loyalty At the same time these themes are married to the darker gravity of ruthless ambition bitterness through heartbreak and unspeakable loss and a rage and vengeance that twists and burns

Light Infantry of the Greek and Roman World Jean Charl du Plessis,2024-10-30 Ancient accounts of battle often neglected the role of lightly armed infantry presenting the deeds of the heavy infantry such as Greek hoplites or Roman legionaries or dashing cavalry charges as the decisive battle winners This bias was partly due to the light infantry typically

being drawn from the poorer sections of society who could not afford to equip themselves with armor and because they generally fought from a distance killing from afar with missile weapons not bravely face to face like heroes worthy of recording Modern research has generally followed this bias Dr Jean Charl Du Plessis argues that while light infantry might have had a subordinate role in pitched battles such clashes were relatively rare occurrences Most ancient campaigns consisted mostly of foraging raiding and pillaging of enemy territory minor skirmishes and ambushes all roles in which light infantry excelled In particular they were indispensable for an army traversing mountainous or forested terrain Moreover he shows that even in pitched battles they were far from useless and made a valuable contribution typically harassing the enemy as they deployed and screening friendly battle lines from similar treatment Some such as Cretan archers or Balearic slingers were highly sought after specialists Uniquely the author draws on years of practical experimentation to demonstrate and test the various weapons used slings bows and javelins including the use of the amentum throwing strap This yields fresh evidence and insights into matters such as range penetrative power and the level of skill and practice required Overall this is a valuable study of these forgotten heroes of ancient warfare

The Siege Cathy Scott-clark,Adrian Levy,2014-08-26 In the page turning tradition of Black Hawk Down the definitive account of the 2008 terrorist attacks in Mumbai Mumbai 2008 On the night of November 26 Lashkar e Toiba terrorists attacked targets throughout the city including the Taj Mahal Palace Hotel one of the world s most exclusive luxury hotels For sixty eight hours hundreds were held hostage as shots rang out and an enormous fire raged When the smoke cleared thirty one people were dead and many more had been injured Only the courageous actions of staff and guests including Mallika Jagad Bob Nichols and Taj general manager Binny Kang prevented a much higher death toll With a deep understanding of the region and its politics and a narrative flair reminiscent of Midnight in Peking journalists Cathy Scott Clark and Adrian Levy vividly unfold the tragic events in a real life thriller filled with suspense tragedy history and heroism
