J. Mark Thompson, Richard Tuch

Ellen Glasgows The Difference:

The Other Woman Susan Koppelman, 1984 Inside and outside marriage what happens to the woman betrayed How do abandoned wives or lovers feel What happens when the battle between the sexes becomes a triangle The plots in this collection of eighteen stories written between the 1840s and 1980s are infinitely variable and the outcomes will enrage shock amuse and sometimes hearten In some stories women forge links with other women in solidarity In others women fight for their men and win In many stories the betrayal ultimately enriches the central character who learns through the loss of her man the value of her own life *A Study Guide for Ellen Glasgow's "The Difference"* Gale, Cengage Learning, 2016

SHORT STORIES FOR STUDENTS CENGAGE LEARNING. GALE, 2016 **Feminisms** Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism **The Stories We Tell Ourselves** J. Mark

Thompson, Richard Tuch, 2013-09-23 *The Stories We Tell Ourselves* Mentalizing Tales of Dating and Marriage is about the dynamics of intimate interpersonal relationships dating and marriage how and why human pairings occur what helps them function optimally and how therapists can intervene when they don't J Mark Thompson and Richard Tuch employ a multidimensional perspective that provides a variety of lenses through which intimate relationships can be viewed The authors also offer a new model of couples therapy based on the mentalization model of treatment developed by Peter Fonagy and his colleagues This book is aimed at those interested in the nature of intimate relationships as well as those wishing to expand their clinical skills whether they are conducting one on one therapy with individuals struggling to establish and maintain intimate relations or are conducting conjoint treatment with troubled couples who have sought the therapist's assistance Thompson and Tuch view relationships from a wide array of different perspectives mentalization attachment theory evolutionary psychology psychoanalysis pattern recognition neuroscience and role theory A mentalization based approach to couples therapy is clearly explained in a how to fashion with concrete suggestions about how the therapist goes about clinically intervening given their expanded understanding of the dynamics of intimate relations outlined in the book

The Stories We Tell Ourselves Mentalizing Tales of Dating and Marriage will appeal to psychoanalysts psychotherapists psychiatrists psychologists clinical social workers marriage therapists and all those interested in both learning more about the dynamics of one on one intimate relationships dating and marriage from a truly multidimensional perspective and in learning how to conduct mentalization based couples therapy The Faith of Our Feminists Josephine L. Jessup, 1950-03

The Reconstruction of White Southern Womanhood, 1865-1895 Jane Turner Censer, 2003-09-30 This impressively researched book tells the important but little known story of elite southern white women's successful quest for a measure of self reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow Profusely illustrated with the experiences of fascinating women in Virginia and North Carolina it presents a compelling new chapter in the history of American women and of the South As were many ideas notions of the ideal woman were in flux after the Civil War While poverty added a harder edge to the search for a good marriage among some southern belles other privileged white women forged identities that challenged the belle model altogether Their private and public writings from the 1870s and 1880s suggest a widespread ethic of autonomy Sometimes that meant increased domestic skills born of the new reality of fewer servants But women also owned and transmitted property worked for pay and even pursued long term careers Many found a voice in a plethora of new voluntary organizations and some southern women attained national celebrity in the literary world creating strong and capable heroines and mirroring an evolving view toward northern society Yet even as elite southern women experimented with their roles external forces and contradictions within their position were making their unprecedented attitudes and achievements socially untenable During the 1890s however virulent racism and pressures to re create a mythic South left these women caught between the revived image of the southern belle and the emerging emancipated woman Just as the memoirs of southern white women have been key to understanding life during the Civil War the writings of such women unlock the years of dramatic change that followed Informed by myriad primary documents Jane Turner Censer immerses us in the world of postwar southern women as they rethought and rebuilt themselves their families and their region during a brief but important period of relative freedom *The William and Mary Literary Magazine* ,1920

A Certain Slant of Light: Regionalism and the Form of Southern and Midwestern Fiction , The Tragic Life Story of Medea as Mother, Monster, and Muse Jana Rivers Norton, 2019-11-13 This volume offers a critical yet empathic exploration of the ancient myth of Medea as immortalized by early Greek and Roman dramatists to showcase the tragic forces afoot when relational suffering remains unresolved in the lives of individuals families and communities Medea as a tragic figure whose sense of isolation and betrayal interferes with her ability to form healthy attachments reveals the human propensity for violence when the agony of unresolved grief turns to vengeance against those we hold most dear However metaphorically her life story as an emblem for existential crisis serves as a psychological touchstone in the lives of early twentieth century female authors who struggled to find their rightful place in the world to resolve the sorrow of unrequited

love and devotion and to reconcile experiences of societal abandonment and neglect as self discovery
