Oh Boy! Freya Jarman-Ivens,2013-09-27 From Muddy Waters to Mick Jagger Elvis to Freddie Mercury Jeff Buckley to Justin Timberlake masculinity in popular music has been an issue explored by performers critics and audiences From the dominance of the blues singer over his woman to the sensitive singer songwriter popular music artists have adopted various gendered personae in a search for new forms of expression Sometimes these roles shift as the singer ages attitudes change or new challenges on the pop scene arise other times the persona hardens into a shell like mask that the performer struggles to escape Oh Boy Masculinities and Popular Music is the first serious study of how forms of masculinity are negotiated constructed represented and addressed across a range of popular music texts and practices Written by a group of internationally recognized popular music scholars including Sheila Whiteley Richard Middleton and Judith Halberstam these essays study the concept of masculinity in performance and appearance and how both male and female artists have engaged with notions of masculinity in popular music

Seth Jackson Horne,2006-03-01 Lifelong friends Bob Callaway and Doug Jennings amassed an oil and gas fortune under what some perceived as very strange circumstances Some thought they were just lucky while others believed it was fate that led them to greatness Bob and Doug s friendship began on the first day of college at Louisiana State University when they were assigned the same room in the athletic dormitory Events in their lives continued to link them together like a chain If a single link had been missing there would have been no life long friendship or the establishment of their company LIO SAG Inc The two men s personalities resembled sandpaper one side was smooth but the other was coarse If you were lucky you never experienced the coarse side Through out college they struggle to build their business and maintain their unique friendship and finally they reach success in nearly every aspect of their lives Bob and Doug share a magical quality that keeps them grounded in reality and loyal to each other

believes we are all thinking beings that every thought we each have has the possibilities of becoming our own reality be it negative thoughts or positive thoughts which in turn creates our personal existence either in a negative way or a positive way he says we are not in reality physical it only appears to be that way because we are so highly conditioned by our own beliefs systems we are in fact Living Energy in the making of becoming Living Consciousness The main reason he wrote and created his new book The Dream Assassin was to show all of humanity that Imagination is real and at the same time create magnificent imaginative magic that would not only bring awareness but ignite the true inner passion of every individual that reads this book but also to see the movie when it is created in the future to come As Albert Einstein the great Theoretical Physicist said on many occasions Reality is merely an Illusion all be it a very persistent one It s like saying just because you cannot touch something doesn t mean it is not real because it may be vibrating simply at another level of consciousness
